Comeback Paul Ingrassia, Joseph B. White, 1995-10-18 Documents the collapse and comeback of America's largest industry in a saga of greed and stubbornness spotlighting dedicated managers, engineers, and financiers **Gender, Race, and Class in Media** Bill Yousman, Lori Bindig Yousman, Gail Dines, Jean McMahon Humez, 2020-07-24 Gender, Race, and Class in Media provides students a comprehensive and critical introduction to media studies by encouraging them to analyze their own media experiences and interests. The book explores some of the most important forms of today's popular culture including the Internet, social media, television, films, music, and advertising in three distinct but related areas of investigation: the political economy of production, textual analysis, and audience response. Multidisciplinary issues of power related to gender, race, and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions. Reflecting the rapid evolution of the field, the Sixth Edition includes 18 new readings that enhance the richness, sophistication, and diversity that characterizes contemporary media scholarship. Included with this title: The password-protected Instructor Resource Site, formally known as SAGE Edge, offers access to all text-specific resources including a test bank and editable chapter-specific PowerPoint slides. **Gendering Criminology** Shelly Clevenger, Jordana N. Navarro, 2022-03-22 Gendering Criminology explores issues pertaining to victimization, individuals involved in the criminal legal system, and those working within the system that are unique to females, males, and individuals within the LGBTQIA, lesbian, gay, bisexual, transgender, queer, intersex, asexual communities. Each chapter provides an overview of each topic and delves in the literature in the area. Additionally, each chapter also provides active learning activities designed to fully immerse and engage students in the material, current and relevant media bytes to bring the lessons to life, and case studies that illustrate the content. Gendering Criminology provides a contemporary guide for the reader to understand the place that gender has in society as well as how it pertains to crime, victimization, and professions. **The Vigilant Citizen 2018** **Volume 3: Movies and TV**, In-depth analysis of popular movies highlighting their agenda and occult symbolism.  YouTube Messy Truth Caleb Kaltenbach, 2021-08-10 From the author of Messy Grace a former pastor raised by gay
 parents comes a compassionate playbook to help Christians church staff and ministry leaders create a culture of belonging
 without sacrificing theological convictions What should we do This is a question many Christians are asking as they face
 shifting societal norms conflicting opinions and often inaccurate scriptural interpretations regarding those who identify as
 LGBTQ Caleb Kaltenbach believes there's a more helpful question What am I willing to do to keep and build influence with
 _____ Caleb knows our love for others is best measured by the lengths we'll go to help them He also recognizes that
 people find and follow Jesus better in community than in isolation As a child raised by three activist gay parents Caleb
 experienced firsthand the outrage of some Christians That's why he is committed to creating a sense of belonging for all
 people True community can happen only when Christians are intentional in infusing their attitudes systems and values with
 grace and truth This hopeful practical book offers tools for encouraging church involvement strengthening personal
 relationships increasing empathy and engaging in pivotal conversations about grace and truth with our whole community
 Fostering a culture of belonging is a messy process but it holds a massive possibility for everyone involved a growing
 relationship with Jesus *You Will Be Made to Care* Erick Erickson, Bill Blankschaen, 2016-02-22 Religious liberty is under
 attack in America Your freedom to believe may not last much longer To all those who say they don't care about the culture
 war Erick Erickson has only one response The Left will not let you stay on the sidelines You will be made to care Now the
 former Editor in Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on
 Christians and all people of faith who refuse to bow to the worst kind of religion secularism one intent on systematically
 imposing its agenda and frightening doubters into silence The book features first hand accounts from Christians who've been

punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening. Not anymore. *You Will Be Made to Care* offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.

Sporting Gender Joanna Harper, 2019-12-03 The Tokyo Olympic Games are likely to feature the first transgender athlete, a topic that will be highly contentious during the competition. But transgender and intersex athletes such as Laurel Hubbard, Tiffany Abreu, and Caster Semenya didn't just turn up overnight. Both intersex and transgender athletes have been newsworthy stories for decades. In *Sporting Gender: The History, Science, and Stories of Transgender and Intersex Athletes*, Joanna Harper provides an in-depth examination of why gender-diverse athletes are so controversial. She not only delves into the history of these athletes and their personal stories but also explains in a highly accessible manner the science behind their gender diversity and why the science is important for regulatory committees and the general public to consider when evaluating sports performance. *Sporting Gender* gives the reader a perspective that is both broad in scope and yet detailed enough to grasp the nuances that are central in understanding the controversies over intersex and transgender athletes. Featuring personal investigations from the author, who has had first-person access to some of the most significant recent developments in this complex arena, this book provides fascinating insight into sex, gender, and sports.

Mass Communication: Living in a Media World Ralph E. Hanson, 2016-10-20 Transform your students into smart, savvy consumers of the media. *Mass Communication: Living in a Media World* by Ralph E. Hanson provides students with comprehensive yet concise coverage of all aspects of mass media along with insightful analysis, robust pedagogy, and fun conversational writing. In every chapter of this bestselling text, students will explore the latest developments and current events that are rapidly changing the media landscape. This newly revised Sixth Edition is packed with contemporary examples, engaging infographics, and compelling stories about the ways mass media shape our lives. From start to finish, students will learn the media literacy principles and critical thinking skills they need to become savvy media consumers.

The Politics of Recognition in the Age of Digital Spaces Benjamin JJ Carpenter, 2023-09-15 This book provides a philosophical analysis of the notion of selfhood that underlies identity politics. It offers a unique theory of the self that combines previous scholarly work on recognition and the phenomenology of space. The politics of identity occupy the centre of a contested terrain. Marginalised and oppressed peoples continue to seek the transformation of our shared social world, and our political institutions required for their lives to be liveable. Public criticism and academic treatments of identity politics often take a disparaging view that treats it as subordinate to more general political questions about justice and the organisation of society and its institutions. This book argues that these polemics ignore the numerous ways in which all politics is concerned with matters of selfhood and identity. Through a rereading of Hegel's account of recognition as an ongoing and dynamic process that constitutes the self, it presents selves and the categories of identity that qualify these selves as fundamentally conditioned by the environments in

which they appear before themselves and others It also argues that we do the work of identity in public spaces particularly digital spaces and that these spaces shape what identities we can assume and what those identities mean Contemporary social media technologies facilitate the production of particular forms of selfhood through the combined logics of the interface the profile and the post The Politics of Recognition in the Age of Digital Spaces will be of interest to scholars and advanced students working in a wide range of disciplines including political philosophy phenomenology philosophy of technology sociology political theory and critical theory It will also appeal to anyone with an interest in contemporary identity politics whether as a matter of study or lived experience *Tampa Bay Magazine* ,1988-09 Tampa Bay Magazine is the area's lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won't know Tampa Bay until you read Tampa Bay Magazine
