The Sound and the Fury William Faulkner, 1992-09-05 Selected by the Modern Library as one of the 100 best novels of all time One of The Atlantic's Great American Novels of the Past 100 Years From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner also available are Snopes As I Lay Dying Light in August Absalom Absalom and Selected Short Stories The Sound and the Fury first published in 1929 is perhaps William Faulkner's greatest book It was immediately praised for its innovative narrative technique and comparisons were made with Joyce and Dostoyevsky but it did not receive popular acclaim until the late forties shortly before Faulkner received the Nobel Prize for Literature The novel reveals the story of the disintegration of the Compson family doomed inhabitants of Faulkner's mythical Yoknapatawpha County through the interior monologues of the idiot Benjy and his brothers Quentin and Jason Featuring a new Foreword by Marilynne Robinson this edition follows the text corrected in 1984 by Faulkner expert Noel Polk and corresponds as closely as possible to the author's original intentions Included also is the Appendix that Faulkner wrote for The Portable Faulkner in 1946 which he called the key to the whole book

The Sound and the Fury William Faulkner, 2025-01-01T09:01:00Z The Sound and the Fury is one of William Faulkner's most celebrated novels and a landmark of American literature Famous for its non chronological structure and experimental style the novel focuses on the once prominent Compson family descendants of planter aristocrats who have declined in both social standing and material wealth As white landowners in the fictional county of Yoknapatawpha in Mississippi they continue to employ an African American family to serve them Each of the Compson parents has withdrawn from responsibility for their children so the matriarch of the servant family Dilsey effectively raises their three sons and daughter Each of the four parts of the novel is told from a different point of view with each of the first three sections narrated by a different Compson son In the first chapter set on the day before Easter Sunday in 1928 the narrator is the mentally disabled thirty three year old Benjy The second chapter enters the mind of troubled Harvard student Quentin who is finishing his year at the university The third chapter set on Good Friday 1928 is narrated by the callous and

mercenary brother Jason who now works as a clerk at a farming supply store and finally on Easter Sunday 1928 the perspective is that of an omniscient narrator though the main character of the section emerges as Dilsey Central to each of the sons sections is their sister Caddy whose rebellion as a young woman brings pain upon Benjy profoundly disturbs Quentin enrages Jason and accelerates the family's already precipitous decline The book is noted for its nonlinearity not only in the order of its four narratives but in the sequences of events recorded within the first two of them Faulkner makes heavy use of a stream of consciousness style to relate Benjy's and Quentin's memories and thoughts which jump around temporally Non standard italics and punctuation contribute to the effect The influence of James Joyce upon the first two narratives was immediately identified by contemporary critics though Edward Crickmay labeled the book an even tougher proposition for the general novel reader than *Ulysses* Despite this compliment its initial reception was mixed in general it was described as inaccessible even unreadable At the same time it was acknowledged for its innovative development of the stream of consciousness technique and for its attentive depiction of the postbellum American South in particular the decay of its formerly slavery based aristocracy and the value system of that class The Sound and the Fury was Faulkner's fourth novel written after a lengthy struggle to have his third novel published He later wrote that the novel arose from a single image that of the character Caddy climbing a tree as a small child and that the entirety of the story is present in the first narrative with the following three having been written to clarify it In 1945 Faulkner wrote an appendix that both explained and extended the novel describing the fates of some of the characters while quickly seen to introduce plot inconsistencies it's still often reprinted with the novel The Compsons tale full of sound and fury both illustrates a particular historical context and explores more widely relevant themes The novel's title taken from a famous speech in Shakespeare's *Macbeth* points to a central concern with time The book depicts the march of change in the mores of the American South over the first three decades of the twentieth century but also the possibility not limited to that setting of a family's disintegration over generations and the consequences of various distinct responses notably despair rage flight and resignation to rotten domestic and social environments A tragedy of idiocy memory and the dusty death of an era The Sound and the Fury signified nothing less than a turning point in American literary history and modernism This book is part of the Standard Ebooks project which produces free public domain ebooks

century *The Sound and the Fury* William Faulkner,1989 The text of this Norton Critical Edition is that of the corrected edition scrupulously prepared by Noel Polk whose textual note precedes the text David Minter s annotations are designed to assist the reader with obscure words and allusions The Sound and the Fury William Faulkner,1929 **The Sound and the Fury** William Faulkner,1992 Oprah Book Club title First pub 1929 The spectacle of white disintegration shown through the decay of a gentle southern family **The Sound_The Fury** William Faulkner,2021-05-28 The Sound and the Fury is a novel by author William Faulkner It employs several narrative styles including stream of consciousness The Sound and the Fury Novel by William Faulkner Illustrated William Faulkner,2021-11-08 The Sound and the Fury is set in Jefferson Mississippi in the first third of the 20th century The novel centers on the Compson family former Southern aristocrats who are struggling to deal with the dissolution of their family and its reputation Over the course of the 30 years or so related in the novel the family falls into financial ruin loses its religious faith and the respect of the town of Jefferson and many of them die tragically The novel is separated into four narratives The first reflecting events occurring and consequent thoughts and memories on April 7 1928 is written in the voice and from the perspective of Benjamin Benjy Compson an intellectually disabled 33 year old man Benjy s section is characterized by a disjointed narrative style with frequent chronological leaps The second section taking place on June 2 1910 focuses on Quentin Compson Benjy s older brother and the events leading up to Quentin s suicide This section is written in the stream of consciousness style and also contains frequent chronological leaps In the third section set a day before the first on April 6 1928 Faulkner writes from the point of view of Jason Quentin s cynical younger brother In the fourth section set a day after the first on April 8 1928 Faulkner introduces a third person omniscient point of view This last section primarily focuses on Dilsey one of the Compsons black servants and her relations with Jason and Miss Quentin Compson daughter of Quentin s sister Caddy as Dilsey contemplates the thoughts and deeds of everyone in the Compson family In 1945 Faulkner wrote a Compson Appendix to be included with future printings of *The Sound and the Fury* It contains a 30 page history of the Compson family from 1699 to 1945 *The Sound and the Fury* William Faulkner,2009-07-10 Retells the tragic times of the Compson family including beautiful rebellious Caddy man child Benjy haunted neurotic Quentin Jason the brutal cynic and Dilsey their black servant
