Beyond The Pawpaw Trees New York Review Collections:

Beyond the Pawpaw Trees Palmer Brown, 2011-10-18 It all began on a lavender blue day the kind of day when anything can happen It was on such a day that Anna Lavinia's father saw a double rainbow and went chasing after it And it is on such a day that she and her cat Strawberry set off on their journey beyond the walled garden where the pawpaw trees grow to a place where the buttercups bloom pink and the laws of gravity don't always apply Here Anna Lavinia will test her mother's advice Never believe what you see against her father's wise words Believe only what you see and just maybe she'll finally be able to use the mysterious silver key her father left behind when he went chasing after rainbows Beyond the Pawpaw Trees is a tour through a land as strange and wonderful as Oz filled with people as delightfully batty as any in Alice's looking glass It is a place to return to again and again beautifully brought to life in Palmer Brown's fanciful words and intricate sugar spun drawings

The Night of Wishes Michael Ende, 2017-10-03 This thrilling New Year's Eve tale of sorcery and suspense is like a goofy Paradise Lost for middle schoolers New York Times Book Review Comic fantasy clever wordplay and slapstick shenanigans from the bestselling children's author of The Neverending Story and Momo It's New Year's Eve at the Villa Nightmare but Beelzebub Preposteror is in no mood for celebration As the Shadow Sorcery Minister Preposteror has a duty to perform a certain number of evil deeds in service to the Minister of Pitch Darkness But this year to his horror he's nowhere near meeting that quota Preposteror has all but given up when who should make an unexpected visit but his aunt the witch Tyrannia Vampirella She has come with a diabolical proposal that just might be the solution to Preposteror's dilemma together they will brew the fabled Notion Potion one of the most ancient and powerful evil spells in the universe and their every evil wish will be granted The only thing that stands in their way is a most unlikely team a cat named Mauricio di Mauro and a raven known as Jacob Scribble who have just hours to thwart the plans of their sorcerer masters and save the world from destruction

Taka-chan and I Betty Jean Lifton, 2012-04-03 This story of adventure bravery daring friendship and honor begins when Runcible a Weimaraner digs a hole from Cape Cod all the way to Japan There he meets Taka chan a little girl who has been imprisoned by a fierce and fearsome sea dragon The dragon is angry that Taka chan's father and his fellow fishermen no longer pay him proper respect but he is willing to free Taka chan on one condition Runcible must seek out the most loyal creature in all Japan and lay a flower at his feet So Taka chan and Runcible set out on a quest of discovery that takes them to the bustling heart of Tokyo From palace grounds to noodle shop Runcible explores the city stopping at nothing to solve the mystery that will release his new friend from her captivity Taka chan and I joins image and word in a tale that is as thrilling as it is poignant Betty Jean Lifton a lifelong student of Japanese folklore and Eikoh Hosoe a renowned Japanese photographer have together created an enduring work of beauty that is fit to share a shelf with a classic like The Red Balloon

Hickory Palmer Brown, 2013-05-14 A grandfather clock makes a lovely home for a family of mice if you don't mind the occasional clang And here Hickory lives with his parents his brother Dickory and his sister Dock But Hickory is a

restless fearless mouse and he longs to be on the move to breathe the sweet air and nibble on the wild strawberries of the fields So one day in early spring with the smells of honeysuckle and clover guiding him he strikes out on his own Soon he discovers that a meadow can be a lonely place even with all its beetles and caterpillars It s not until Hop the grasshopper comes around that Hickory nds a true companion Hop warns him though that when the days get shorter and the goldenrod begins to fade the song she sings will soon be done How Hickory and Hop confront and eventually accept the end of summer forms the core of Palmer Brown s poignant story Hickory is a story of friendship and love on par with Shel Silverstein s *The Giving Tree* or E B White s *Charlotte s Web* It is also a field guide to the common plants and owers of spring summer and autumn all beautifully rendered in Palmer Brown s most colorful and joyous drawings *Something for Christmas* Palmer Brown,2011-09-20 What are you doing dear It s a secret Secrets are better if you share them a little So tell Mother why you look so sad on Christmas Eve I am wondering what to give someone for Christmas So begins the story of a little mouse s search for a very special gift for a very special person Nothing seems just right until the little mouse realizes that the best present of all is already at hand Palmer Brown has given us something special for Christmas or any day an entrancingly lovely story filled with the true spirit of the holiday season **Thomasina** Paul Gallico,2018-07-03 By the author of the classic *The Snow Goose* a heartbreaking story about a young girl and her most unusual cat who has magical powers that save her owner s life Seven year old Mary adores her ginger cat Thomasina and is crushed when Thomasina falls sick and Mary s father a grim inflexible man who is the town vet decrees that the only thing to be done is to put Thomasina down Mary refuses to speak to her father and then she herself contracts a life threatening disease In the meantime however Thomasina has been rescued by the mysterious Lori the Red Witch of the glen Thomasina is now Talitha the descendant of an Egyptian goddess and she is coming back to seek revenge Thomasina like Jenny of *The Abandoned* Paul Gallico s other great feline heroine Jenny is Thomasina s great aunt tells her own story in her own way witty charming divine and sometimes as sharp as an unsheathed claw Thomasina is a cat for the ages Thomasina is a sheer delight **Smith: The Story of a Pickpocket** Leon Garfield,2013-10-15 A Carnegie Medal Honor Book Twelve year old Smith is a denizen of the mean streets of eighteenth century London living hand to mouth by virtue of wit and pluck One day he trails an old gentleman with a bulging pocket deftly picks it and as footsteps ring out from the alley by which he had planned to make his escape finds himself in a tough spot Taking refuge in a doorway he sees two men emerge to murder the man who was his mark They rifle the dead man s pockets and finding them empty depart in a rage Smith terrified flees the scene of the crime What has he stolen that is worth the life of a man Smith is a gripping engrossing and utterly diverting tale of high adventure related by a writer whose scintillating style is matched only by the dazzle of his plotting In the words of Lloyd Alexander Garfield is unmatched for sheer exciting storytelling The reader simply can t stop reading him *The Glassblower's Children* Maria Gripe,2019-08-13 By the Winner of the Hans Christian Andersen Medal for Lifetime Achievement in Children s Literature Albert the

Glassblower and Sofia are the loving parents of little Klas and Klara Albert makes the most beautiful glass bowls and vases unfortunately they are so impractical that no one will buy them while Sofia supports the family by working in the fields Every year Albert goes to the fair to try to sell his wares and sometimes Sofia and the children go too At the fair the family meets Flutter Mildweather a weaver of magical rugs that foretell the future and Klas and Klara come the attention of the splendid Lord and Lady of All Wishes Town who have everything they want except for one thing children Full of curious and vivid characters like the one eyed raven Wise Wit who can only see the bright side of life and the monstrous governess Nana whose piercing song can shatter glass The Glassblower s Children also ponders such serious matters as what it means to find meaningful work and the difference between what you want and what you need In The Glassblower s Children Maria Gripe has drawn on fairy tales and Norse myths to tell a thrilling story with a very modern sensibility *He Was There From the Day We Moved In* Rhoda Levine,2012-10-02 The naming of dogs can be a tricky business as Ogdon and his big brother discover in this charming collaboration between Rhoda Levine and Edward Gorey You see before Ogdon and his family moved to a new house no one mentioned the big shaggy sheep dog in the back yard but there he was just sitting and waiting imperturbable as can be Waiting for what Ogdon wonders Dinner A lollipop A stray cat Someone to talk to No what the dog wants is a name And not just any name but the right name And with a little patience and a lot of persistence Ogdon and his brother will figure it out **The Doorman's Repose** Chris Raschka,2017-05-02 From Caldecott Award winner Chris Raschka tales of unforgettable characters who live in a NYC apartment building To the company of ur New Yorkers like Stuart Little Harriet the Spy and Lyle Lyle Crocodile let me hold open the door for The Doorman s Repose A new favorite Gregory Maguire marvelously intriguing stories Lemony Snicket Some of us look up at those craggy mysterious apartment buildings found in the posher parts of New York City and wonder what goes on inside The Doorman s Repose collects ten stories about 777 Garden Avenue one of the craggiest The first story recounts the travails of the new doorman who excels at all his tasks except perhaps the most important one talking baseball Others tell of a long forgotten room a cupid like elevator and the unlikely romance of a cerebral psychologist and a jazz musician both of whom are mice Because the animals talk and the machinery has feelings these are children s stories Otherwise they are for anyone intrigued by what happens when many people strangers or kin live together under one roof
