A Youth Workers Commentary On John Vol 1 Volume 1:

A Youth Worker's Commentary on John, Vol 1 Les Christie, David P. Nystrom, 2011-09-06 When a youth pastor is preparing a lesson it's sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text. **A Youth Worker's Commentary on John** is the first in a new series of commentaries developed with youth workers in mind. An in-depth yet readable approach to the gospel of John, this first volume includes commentary, word studies, personal and historical stories, and discussion questions that will help get students thinking and talking. The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament. This commentary has the entire NIV biblical text printed alongside a rich, deep look into the meaning of this gospel. Youth workers will find this to be an invaluable aid for message and lesson preparation. They'll get a solid understanding of the gospel of John, including its historical context, rationale, and meaning, to see how to apply what they uncover to the needs and issues the teens in their group are dealing with.

A Youth Worker's Commentary on John Les Christie, David P. Nystrom, 2011. This in-depth, readable approach to the Gospel of John. **A Youth Worker's Commentary on John** is the first in a new series of commentaries specifically written for youth workers. You'll find commentary, word studies, personal and historical stories, and discussion questions to help get your students thinking and talking.

Plundering the Egyptians John J. Yeo, 2009-11-16. *Plundering the Egyptians* focuses on the study of the Old Testament at Westminster Theological Seminary from 1929 to 1998. More specifically, it presents the lives and academic labors of Robert Dick Wilson (1929-1930), Edward Joseph Young (1936-1968), Raymond Bryan Dillard (1969-1993), and Tremper Longman III (1981-1998). These featured scholars were highly influential in changing the shape of Old Testament studies at Westminster through the introduction of novel scholarly tools and ideas that reveal methodological and theological development. Their individual historical contexts, scholarly contributions, and interactions with historical critical scholarship are presented and analyzed. Modifications in their respective methodologies are highlighted and often indicate significant shifts within the Old Princeton-Westminster trajectory from an anti-critical stance toward a position of openness toward historical critical methodology and its conclusions. The implications of these shifts within Westminster are important because they mirror the current changes and challenges in evangelicalism today.
