me turning the pages I really enjoy romance stories where there is a great family setting to sink into and the writing in this book was superb Alix This was a fast paced easy to read story The characters were well written and believable from page one I loved the interaction with the rest of Aiden s family and am looking forward to reading the rest of this series I highly recommend this book Sue on ON A NIGHT LIKE THIS In ON A NIGHT LIKE THIS there are fires renewed friendships love romance sexual tension and most of all secrets 5 Stars Becky Romance at its best I could not put this book down The characters were so well fleshed out and you are rooting for them to solve the problems and have a wonderful ending Kathleen ON A NIGHT LIKE THIS what a great story Wonderful characters with mystery intrigue and love Christine *Why Are We Still Together* Steve Igbokwe,2011-09-22 *Why Are We Still Together* is a book you will want to read yourself and give as a gift to friends and family If you are sad it will lift your spirit If you have challenges you will find poems to encourage you The book represents the author s journey through the bittersweet world of love the interesting issues of daily living and the complex world of politicians and how they play their game especially in the author s home country Nigeria This book witty pungent and philosophical You will find it entertaining and easy to read **No Greater Gift** Deacon Denny Burkett,2024-09-15 The stories we hear and read in the Sacred Scriptures were written to be more than just a story They are God s inspired words that were left to us so that we may have the opportunity to enter into a deeper and more personal relationship with God However because the Bible was not written to be a history book a lot of details were omitted Those omissions can move us to wonder what it would have been like to be with Jesus on a daily basis as a part of His inner circle However without those details we are left to use our imagination to find the answers to those questions Hopefully when we do that we can enter into the story in such a way that they lead us to a greater insight understanding and deeper relationship with the people we meet in the stories about Jesus the Apostles and the followers of Jesus **No Greater Gift** was written to allow the reader to do just that Let your imagination run wild with your own thoughts and then write your own story I hope that when you do that you will get as much enjoyment as I did in writing this book **The Pugilist at Rest** Thom Jones,2024-09-24 Writers as good as Thom Jones appear but rarely His fiction world is irresistible in this short story collection a National Book Award finalist New York Times Book Review Thom Jones made his literary debut in The New Yorker in 1991 Within six months his stories appeared in Harper s Esquire Mirabella Story Buzz and in The New Yorker twice more The Pugilist at Rest the title story from this stunning collection took first place in Prize Stories 1993 The O Henry Awards and was selected for inclusion in Best American Short Stories 1992 Thom Jones is a writer of astonishing talent Whether set in the combat zones of Vietnam or the brittle social and intellectual milieu of an elite New England college or recounting the poignant last battles of an alcoholic ex fighter or the hallucinatory visions of an American wandering lost in Bombay in the aftermath of an epileptic fugue Jones s stories are fueled by an almost brutal vision of the human condition in a world without mercy or redemption Physically battered soul sick and morally exhausted Jones s characters are yet unable

to concede defeat his stories are infused with the improbable grace of the spirit that ought to collapse but cannot For in these extraordinary pieces of fiction it is not goodness that finally redeems us but the heart's illogical resilience and the ennobling tenacity with which we cling to each other and to our lives The Pugilist at Rest commemorates one of the most electrifying voices in American fiction and a writer of magnificent depth and range With these eleven stories Thom Jones takes his place among the ranks of this country's most important authors **The Apple of My Eye** Mary Ellen
