The Antislavery Vanguard

**NEW ESSAYS ON
THE ABOLITIONISTS**

EDITED BY
MARTIN DUBERMAN

In general, the seventeen essays included in this volume, though by no means uncritical, point to "a more sympathetic evaluation of the motives, tactics, and effects of the [abolitionist] movement." They give us warmer portraits of abolitionist leaders, a better understanding of their problems, and a refreshing appreciation of the constructive role of the agitator in society. / Kenneth M. Stampp in *The Journal of Southern History*
