Arabs In The Americas Interdisciplinary Essays On The Arab Diaspora:

Arabs in the Americas Darcy Zabel, 2006 Offering more than just an introduction or a celebration of the Arab American presence in the Americas the essays in this book aim at expanding readers understanding of what it means to be part of the Arab diaspora and to live in the Americas

Immigrants in American History Elliott Robert Barkan, 2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture

Shi'ism in America Liyakat Nathani Takim, 2009-09-01 An authoritative introduction to the Shi i community in America tracing its history composition and the development of American Shi i identity There are over two million Shi is Muslims in the United States With community roots going back sometimes close to one hundred years Shi is can be found in major cities like New York Los Angeles Chicago Washington and Dearborn Michigan Early in the century Shi is and Sunnis sometimes arrived at the same time worshipped together shared similar experiences and confronted the same challenges despite their sectarian differences In this comprehensive study Liyakat Nathani Takim provides an in depth account of the American Shi i experience Both tracing the early history and illuminating the more recent past with surveys and interviews Takim explores the life of this community Filling an important scholarly gap he also demonstrates how living in the West has impelled the Shi i community to grapple with the ways in which Islamic law may respond to the challenges of modernity Shi ism in America provides a much needed overview of the history of this United States religious community from religious cultural and political institutions to inter group relations to the experience of African American Shi is

Arab-American Women's Writing and Performance Somaya Sami Sabry, 2011-04-30 The public image of Arabs in America has been radically affected by the war on terror But stereotypes of Arabs manifested for instance in Orientalist representations of Sheherazade and the Arabian Nights in Hollywood have prevailed for much longer Here Somaya Sabry argues that the Arab American experience has been powerfully shaped by racial discourse and Orientalism and is further complicated today by hostility towards Arabs in post 9 11 America She shows how Arab American women

writers and performers confront and subvert racial stereotypes in this charged context by recasting representations of Sheherazade Shedding new light on Arab American women s negotiations of identity this book will be indispensable for all those interested in the Arab American world American ethnic studies and race as well as diaspora studies women s studies literature cultural studies and performance studies Ethnic Diasporas and the Canada-United States Security Community David G. Haglund,2015-03-25 Ethnic Diasporas and the Canada United States Security Community focuses on three diasporas and their impact on North American security relations the Irish and Germans which were mainly in the US and the Muslim diaspora which is based in both countries The book begins by examining the evolution of North America from a zone of war to a zone of peace i e a security community starting with the debate over the nature and meaning of the Canada US border It then assesses the role of ethnic diasporas in North American security looking as to whether ethnic interest groups have been gaining influence over the shaping of the US foreign policy This debate is also valid in Canada especially given the practice of federal political parties of catering to blocs of ethnic voters The second section of the book focuses on three case studies The first examines the impact of the Irish Americans on the quality of security relations between the US and the UK and therefore between the former and Canada The second looks at an even larger diaspora the German Americans whose political agenda by the start of twentieth century attempted to discourage Anglo American entente and eventual alliance The final case concentrates on the debates around the North American Muslim diaspora in the past two decades a time when policy attention turned toward the greater Middle East which in many ways constitute the kin community of this politically active diaspora This comparative assessment of the three cases provides contextualization for today s discussion of homegrown terrorism and its implication for bilateral security cooperation in North America Arab American Drama, Film and Performance Michael Malek Najjar,2015-01-09 Beginning with early Arab American playwright poet and novelist Kahlil Gibran and concluding with contemporary playwright Yusef El Guindi this book provides an historical overview and critical analysis of the plays films and performances of self identified Arab Americans Playwrights filmmakers and performers covered include Ameen Fares Rihani Danny Thomas Heather Raffo Ahmed Ahmed Mona Mansour and Cherien Dabis These artists traditionally underrepresented in entertainment publishing and academia have created works that exemplify the burgeoning Arab American arts movement By addressing cinema stand up comedy and solo performance the author introduces audiences to contemporary genres that are shaping Arab American culture in the United States Research on Islamic Business Concepts Veland Ramadani,Baker Ahmad Alserhan,Leo Paul Dana,Jusuf Zeqiri,Hasan Terzi,Mehmet Bayirli,2023-01-01 This book presents selected chapters from the proceedings of the 12th Global Islamic Marketing Conference June 2021 The chapters provide an up to date overview of research and insights into Islamic business practices in general and Islamic marketing strategies in particular Papers include topics such as understanding Muslim consumer behavior services marketing implications and implementation of Halal business practices social media marketing ecommerce

strategies and overall business strategy This book is helpful for researchers interested in the specialties of the topic and also for business consultants who wish to have an in depth understanding of doing business in Islam oriented regions

American Women Michael W. Suleiman, Suad Joseph, Louise Cainkar, 2021-12-01 Arab American women have played an essential role in shaping their homes their communities and their country for centuries Their contributions often marginalized academically and culturally are receiving long overdue attention with the emerging interdisciplinary field of Arab American women s studies The collected essays in this volume capture the history and significance of Arab American women addressing issues of migration transformation and reformation as these women invented occupations politics philosophies scholarship literature arts and ultimately themselves Arab American women brought culture and absorbed culture they brought relationships and created relationships they brought skills and talents and developed skills and talents They resisted inequities refused compliance and challenged representation They engaged in politics civil society the arts education the market and business And they told their own stories These histories these genealogies these narrations that are so much a part of the American experiment are chronicled in this volume providing an indispensable resource for scholars and activists *Art and Politics between the Arab World and Latin America* , 2025-06-05

Intertwined with the histories of Arab migration to the Americas from the nineteenth century until now the emergence of competing nationalist narratives within Arab communities in Latin America and the birth of anti imperialist and anticolonial struggles the history of cultural entanglements between the Arab world and Latin America spans over a hundred years and reveals the vital role of art in creating bridges between the two regions This book the first of its kind gathers interventions that showcase the twentieth century as a period of intense redefinitions and cultural effervescence across the whole of Latin America and the Arab world The result is a polished image of the twentieth century as a period whose shifting categories of affiliation were tied to events and movements that connected the two regions in ever deepening ways and to forms of artful experimentation through which political ideologies alternative collective identities and aesthetic movements could be contested or embraced Contributors are Diogo Bercito Kevin Funk Silvina Schammah Gesser Laure Guirguis Olivier Hadouchi Julia Solana J uregui
