Army Ranger Martial Arts Manual:

Bring the War Home Kathleen Belew, 2019-05-07 A Guardian Best Book of the Year A gripping study of white power Explosive New York Times Helps explain how we got to today's alt right Terry Gross Fresh Air The white power movement in America wants a revolution Returning to a country ripped apart by a war they felt they were not allowed to win a small group of Vietnam veterans and disgruntled civilians who shared their virulent anti communism and potent sense of betrayal concluded that waging war on their own country was justified The command structure of their covert movement gave women a prominent place They operated with discipline made tragic headlines in Waco Ruby Ridge and Oklahoma City and are resurgent under President Trump Based on a decade of deep immersion in previously classified FBI files and on extensive interviews Bring the War Home tells the story of American paramilitarism and the birth of the alt right A much needed and troubling revelation The power of Belew's book comes in part from the fact that it reveals a story about white racist violence that we should all already know The Nation Fascinating Shows how hatred of the federal government fears of communism and racism all combined in white power ideology and explains why our responses to the movement have long been woefully inadequate Slate Superbly comprehensive supplants all journalistic accounts of America's resurgent white supremacism Pankaj Mishra The Guardian

Rot Richard Besteder, 2023-03-15 Rot the Day of Rot is the second of two volumes on a hound of wolf mix that becomes a feral dog and one of her pups Rot In these two books significant questions asked by dog lovers are answered The first has to do with whether a dog has a soul and the second whether a dog has an afterlife The author of these books is well qualified to answer these questions since he is a graduate of two seminaries and was a student of a world famous Hebrew scholar who taught from his own Hebrew text Toyozo W Nakarai The first question as to whether a dog has a soul is in the first book on Red and the second question as to whether a dog has an afterlife is in the second book on Rot Rot like Red was a real dog but his story is told in a fictional narrative The principle from Proverbs 12 10 that the righteous care for their animals as opposed to animal abuse continues from Red into and through the book of Rot Red horribly abused in book one is avenged in The Day of Rot Rot like Red becomes a story of excitement and adventure Follow Rot's conflict with the killer of his mother There is great pleasure and laughter in Rot's victories You will be chuckling at what he does and his last move against his mortal enemy will shock you right out of your socks Note Rot's personality in this book his deportment for example with the hawk who tried to kill him Rot a dog of amazing resilience is a delightful read that puts right book one and ends well
