**World Access** Kathryn Petras, Ross Petras, 1996-06-11 Presents information on the culture history and politics of the world outside the United States with lists charts chronologies and biographies discussing people and events from ancient times to the twentieth century      **Who are the Belarusians?** Alan Adamoŭ, 2022-09-30 A Guide to Belarusians Belarus and what makes the country unique Being on the crossroads between invading armies since time immemorial Belarus has emerged with a growing sense of identity that sets them apart from their neighbours The author opens the lid on the background attitudes and behaviour of a people about which little is known Belarusians often describe themselves with the word Pamiarko nas This spans the kaleidoscope of attitudes such as moderation self restraint patience resignation tolerance and an excessive interest in what other people think of them Whereas in the UK politeness is generally applied in order to preserve a general sense of harmony in Belarus it is selective and done for specific reasons and in specific contexts A Belarusian is polite when the situation demands In the bus there may be an empty place in an otherwise crowded interior while many are standing uncomfortably The empty seat is like the last biscuit on the plate everybody wants it but are too polite to take it Generally the Belarusians are a law abiding folk This is not necessarily an instinctive need to adhere to the rules or a paranoia about the results of not following them In fact in most cases there is a feeling that it is better to stay within the rules which amount to one of the few uncertainties in life than to go out on a limb and risk unforeseen consequences      **Political Handbook of the World 2022-2023** Tom Lansford, Jorge Brown, 2023 With more in depth coverage of current political controversies than any other reference guide Political Handbook of the World 2022 2023 is the most authoritative source for finding complete facts and analysis on each countrys governmental and political makeup
