Exophilosophy Richard Playford, 2024-12-09 This volume addresses philosophical questions raised by the possibility of alien life and extraterrestrial intelligence The different philosophical perspectives and approaches presented across the chapters will provide a foundation for future work on exophilosophy Interest in space space exploration and alien life has never been greater In popular culture for example it has proven a persistent theme in science fiction films e g Star Trek Star Wars books e g H G Wells Arthur C Clarke Ray Bradbury and computer games e g Sid Meier s Alpha Centauri as well as bestselling non fiction books von D niken s multimillion selling Chariots of the Gods and hit documentary shows e g Ancient Aliens There has also been persistent interest in these topics amongst scientists with organizations such as NASA and SETI having an enormous impact on both the scientific and popular imagination Yet curiously the topic has received relatively little philosophical attention Whilst certain aspects of these topics remain within the proper purview of the sciences a host of philosophical questions are raised by the possibility of alien life and extraterrestrial intelligences and the possibility of our coming into contact with them This collection of essays will examine some of these questions whilst laying the groundwork for future study in an as yet under researched area of philosophy Exophilosophy is essential reading for scholars and students with an interest in space and philosophy especially those working in philosophy of science metaphysics epistemology ethics philosophy of language and philosophy of religion

The Nasca Helaine Silverman, Donald Proulx, 2008-04-15 This well illustrated concise text will

serve as a benchmark study of the Nasca people and culture for years to come **Archaeological Fantasies** Garrett G. Fagan, 2006 Including case studies this collection of engaging and stimulating essays written by a diverse group of scholars scientists and writers examines the phenomenon of pseudoarchaeology from a variety of perspectives *A Sourcebook of Nasca Ceramic Iconography* Donald A. Proulx, 2009-08 For almost eight hundred years 100 BC AD 650 Nasca artists modeled and painted the plants animals birds and fish of their homeland on Peru's south coast as well as numerous abstract anthropomorphic creatures whose form and meaning are sometimes incomprehensible today In this first book length treatment of Nasca ceramic iconography to appear in English drawing upon an archive of more than eight thousand Nasca vessels from over 150 public and private collections Donald Proulx systematically describes the major artistic motifs of this stunning polychrome pottery interprets the major themes displayed on this pottery and then uses these descriptions and his stimulating interpretations to analyze Nasca society After beginning with an overview of Nasca culture and an explanation of the style and chronology of Nasca pottery Proulx moves to the heart of his book a detailed classification and description of the entire range of supernatural and secular themes in Nasca iconography along with a fresh and distinctive interpretation of these themes Linking the pots and their iconography to the archaeologically known Nasca society he ends with a thorough and accessible examination of this ancient culture viewed through the lens of ceramic iconography Although these static images can never be fully understood by animating their themes and meanings Proulx reconstructs the lifeways of this complex society *Antiquity in Popular Literature and Culture* Konrad Dominas, Bogdan Trocha, Elżbieta Wesołowska, 2016-05-11 Spiritus flat ubi vult academicus It seems evident that the study of antiquity and the study of antiquity's persistence will continue to be distributed ubique terrarum This pleasing circumstance was exemplified in January 2014 at the Adam Mickiewicz University in Poznań an institution named after Poland's influential nineteenth century epic and lyric poet As part of an ongoing series of such academic meetings the university hosted the Seventh International Conference on Fantasy and Wonder Its topic was Antiquity in Popular Literature and Culture Several of the papers given in Poznań appear in this volume in revised form They demonstrate the continuing presence of the past or to put it slightly differently the importance of the past in the present and by extension for the future
