Henry James's Permanent Adolescence J. Bradley, 2000-10-27 Henry James remained throughout his life focused on his boyhood and early manhood and correspondingly on younger boys and men and John R Bradley illustrates how it is in the context of such narcissism that James consistently dealt with male desire in his fiction He also traces a more subtle but related trajectory in James s writing from a Classical to a Modernist gay discourse which in turn is shown to have been paralleled by a shift in James s fiction from naturalistic beginnings to later stylistic evasion and obscurity This radical book which covers the whole of James s career will quickly be recognized as a defining text in this emerging field of James studies

A History of Gay Literature Gregory Woods, 1998-01-01 Account of male gay literature across cultures and languages and from ancient times to the present It traces writing by and about homosexual men from ancient Greece and Rome through the Middle Ages and Renaissance to the twentieth century gay literary explosion It includes writers of wide ranging literary status from high cultural icons like Virgil Dante Marlowe Shakespeare and Proust

to popular novelists like Clive Barker and Dashiell Hammett and of various locations from Mishima's Tokyo and Abu Nuwas's Baghdad to David Leavitt's New York. It also deals with representations of male-male love by writers who were not themselves homosexual or bisexual men.

Courtship and Marriage And the Gentle Art of Home-Making Annie S. Swan, 2024-02-21

Fairy Tales and the Art of Subversion Jack Zipes, 2007-05-07 The fairy tale may be one of the most important cultural and social influences on children's lives. But until *Fairy Tales and the Art of Subversion* little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children's lives, their behavior, values, and relationship to society. As Jack Zipes convincingly shows, fairy tales have always been a powerful discourse capable of being used to shape or destabilize attitudes and behavior within culture. For this new edition the author has revised the work throughout and added a new introduction bringing this classic title up to date.

Written for You, Or, The Art of Beautiful Living Martha Louise Rayne, 1882
