Art And Soul Classics In Archetypal Psychology:

Art and Soul Howard McConeghey, 2003-03-31 Internationally known artist Howard McConeghey argues that perception is the very essence of life and making art is our most elegant and accessible expression of it Freeing us from the paralysis of traditional art training he breaks the chains of modernism and its constrictive eye allowing anyone be they an artist an art therapist or simply a soul searcher to find beauty and create it McConeghey builds a psychological case for art as a universal healer Working against the onslaught of modern day skepticism technology and rationalism art may be one of our last avenues to finding soul And reaching for the images and archetypes that each of us can see in our mind s is the first step Lushly illustrating his book with reproductions of paintings and drawings from art history s classics to those in art therapy McConeghey does what only a great master can do he delivers complex material on a silver platter making it a pleasure to read and a joy to experience

Art and Soul Bruce L. Moon, 2004 Bruce L Moon is an artists and art therapist with extensive clinical teaching and administrative experience He is a registered and board certified art therapist who holds a doctorate in creative arts with specialization in art therapy Bruce is the director of the Graduate Art Therapy program at Mount Mary College in Milwaukee

The Archetypal Artist Mary Antonia Wood, 2022-03-24 In this thoughtful and revelatory book Wood explores enduring and powerful theories on art creativity and what Jung called the creative spirit in order to illuminate how artists can truly understand what it means to be a creator By bringing together insights on creativity from some of depth psychology s most iconic thinkers such as C G Jung James Hillman and Joseph Campbell as well as featuring a selection of creators who have been influenced by these ideas such as Martha Graham Mary Oliver Stanley Kunitz and Ursula K Le Guin this book explores archetypal thought and the role of the artist in society This unique approach emphasizes the foundational need to understand and work with the unconscious forces that underpin a creative calling deepening our understanding of the transformational power of creativity and the vital role of the artist in the modern world Acting as a touchstone for inquiries into the nature of creativity and of the soul this enlightening book is perfect for artists and creators of all types as well as Jungian analysts and therapists and academics interested in the arts humanities and depth psychology

Music in Arts-Based Research and Depth Psychology Shara Brun, 2024-03-19 This book addresses an existing gap in academic arts based research whereby rather than exploring music as an effective therapeutic intervention it is explored as the central medium or tool of inquiry Integrating heuristic hermeneutic and arts based grounded theory methodologies the book conceptualizes and describes the practice of Sonic Stretching as an in depth example of using sound as an effective and systematic research tool Stemming from evidence based insights the book explores and explains ways in which music and sound can be utilized in arts based research ABR in all disciplines as opposed to only being used among professional musicians and those operating within music studies It points to some of the obstacles that have previously prevented this from happening more broadly and in doing so aims to help bridge the conspicuous gap in ABR studies where music and sonic

imagination should be Offering a clear and well presented example for integrating music and sound into processes of depth psychological inquiry and addressing the impact of colonialization upon embodied knowledge in music and academic research it will appeal to scholars and researchers working at the intersection of psychology music studies education social justice and research methods

since Jung's break with Freud he has been excluded from both the psychoanalytic discourse and those schools of literary criticism influenced by psychoanalysis But this very exclusion has shaped the discourse Further many of the analytic writings of Jung and the post Jungian school of Developmental Jungians are parallel to work by contemporary ego psychologists and feminists and could contribute to those fields Jung's entire case throws much light upon the state of marginalization its effects and its powers

The Psychology of Artists and the Arts Edward W.L. Smith, 2014-01-10 This book offers the first comprehensive examination of the psychodynamic theories of artistic creativity and the arts Neither oversimplifying the complexity of these theories nor bogging down in pedantic discourse it honors the depth and richness of the work of Freud Adler Kris Reich Jung and several lesser known theorists while making their theories readily accessible to the educated reader After discussing the role of theory the work offers each concept as a readily usable template for describing and understanding a work of art whether painting sculpture music dance film poetry or prose With these theories at hand anyone interested in the arts will possess a far richer vocabulary for describing the artistic experience and a deeper understanding of

the artist s creativity
