Zen and the Art of Meditation Martin Taylor, 2014-07-18 As a yoga teacher I have found it difficult sometimes in explaining how meditation works in a simple way When I found this book it provided me with easy ways in which I can guide my students and help them use mediation in daily life The topic on living mindfully is very relevant in current times and I tell all my students to read this book Meditation supplements yoga and this book has made it easier for my students to reach higher levels through easy to practice methods Yoga Instructor I have been working for a decade without a break and thought it was normal until I had a burnout It made me reach out to find any information that will help me back on track Taylor's book on mediation methods for beginners created a spark for me I religiously followed every step in the book It didn't take too much of my time or energy but it had amazing results It helped me regain balance and understand that by focusing on the present you can gain a deeper sense of awareness and serenity Recovered Workaholic The pressure of academics was too much for me to bear I was distracted as there were too many decisions to make and too many deadlines to meet By noticing my nervous state of mind my school counselor tried her best in helping She suggested that I read this book on mediation I thought it would be good to try as it could do no harm It was a breeze for sure The techniques were simple and effective too All those nagging thoughts that weighed me down seemed to disappear and eventually I was to make decisions in a calmer and focused way I always tell my friends about this book because it's easy to do and most importantly it works Focused Student Martin Taylor's Meditation for Beginners First Edition is a practical guide that serves as an information source for people who like to know about easy mediation techniques to begin with This book includes easy methods to help people understand the benefits of meditation what needs to be done to prepare before beginning practice and ways in which it can be incorporated into our daily lives This book is an easy guide that provides information on o What is meditation o Why is meditation required and

what are the benefits o How to prepare yourself physically and mentally to meditate o Meditation exercises for beginners and other techniques o How to mediate in daily life Meditation for Beginners First Edition is a guide that is very relevant for the fast paced environment we have created It provides information to any person looking for a way to find a technique that is simple to understand easy to do and effective Martin Taylor is an independent professional counselor with over 10 years of experience
