Women and TV Culture in Pakistan Munira Cheema, 2018-07-30 The television broadcasting culture of Pakistan was changed dramatically in 2002 The President General Pervez Musharraf introduced a policy of liberalisation that enabled controversial issues such as honour killings adultery stoning to death domestic violence marriage after divorce and homosexuality to be increasingly depicted on screen Women and TV Culture in Pakistan is the first in depth analysis of this change in television content Munira Cheema focuses on how gender issues are dealt with on TV and examines the impact this has on female viewers In Pakistan television is often the only way in which women can access the public sphere except through male guardians and this book evaluates how TV content allows them to navigate their intersecting identities as Muslims women and Pakistanis At a time when religious conservatism is on the rise in the country this book investigates why producers choose to focus on gender based issues and the extent to which religion dictates social behaviour and broadcasting choices Based on interviews with women viewers in Karachi as well as industry professionals including writers directors and ratings experts the research is a much needed and original contribution to global television studies and gender studies

The Living History of Pakistan (2011-2016) Inam R Sehri, 2017 Karachi a mega city of about 25 million now has been burning since two decades in spreading blaze of target killings extortion organised robberies kidnapping for ransom sectarian blasts and massive corruption by ruling political regimes Later the city became Taliban s refuge and a battleground for neighbouring Muslim countries Since 25 years nothing has been written about Karachi s affairs because of dreadful apprehensions horror and fears of being eliminated First time the two volumes c 815 pages of that city s complete diary has been compiled to keep the history intact

Television Publics in South Asia S M Shameem Reza, Ratan Kumar Roy, 2023-11-20 Television has a prime role to play in the formation of discursive domains in the everyday life of South Asian publics This book explores various television media practices social processes mediated political experiences and everyday cultural compositions from Bangladesh India Nepal Pakistan and Sri Lanka With the help of country specific case studies it captures a broad range of themes which foreground the publics and their real life experiences of television in the region The chapters in this book discuss gendered television spaces women seeking solace from television in pandemic the taboo in digital TV dramas television viewership and localizing publics changing viewership from television to OTT news and public perception of death redefining the national theatrical television and post truth television news among other key issues Rich in ethnographic case studies this volume will be a useful resource for scholars and researchers of media and communication studies journalism digital media South Asian studies cultural studies sociology and social anthropology

Pakistan's Political Labyrinths Ravi Kalia, 2015-08-11 This book explores Pakistan from different vantage points It examines a variety of events in contemporary Pakistan through a comprehensive analysis of identity and power politics media landscapes military recruitment role of madrassahs terrorism and militancy civil war as well as outlines future trajectories It studies themes such

as Pakistan's relationship with India the legacy of Jinnah gender and fundamentalism urbanisation unrest that have plagued the northern areas It further looks at the nation after the capture of Osama bin Laden and the changing nature of its relation with the US in its aftermath Including contributions from experts in the field and policy makers across the world this volume will interest scholars and researchers on Pakistan studies politics and international relations It will also appeal to

government think tanks and the general reader **Beyond the Law: Living Blasphemy in Pakistan** Muhammad Bilal, 2024-10-16 The book embarks on a journey into the intricate landscape of blasphemy in Pakistan amid a rising tide of blasphemy accusations public lynchings and contentious blasphemy laws Challenging conventional perspectives this book delves beyond legal and religious confines offering an ethnography of the mundane as a secular reading and a grand existential scheme to highlight how blasphemy laws and religious prisms often fail to capture the essence of the blasphemy dilemma in Pakistan The author offers an insightful re evaluation of the blasphemy issue addressing its multifaceted definition the motivations driving intentional blasphemous acts and frivolous accusations the authority to punish alleged offenders the paradox of religious violence and the emergence of mediated expressions and virtual negotiation of blasphemy Through meticulous grassroots analysis of ordinary Pakistanis perspectives the book offers pragmatic policy solutions for blasphemy issues presenting unorthodox insights into Pakistan its diverse populace and the ever evolving sensibilities of Islam and societal dynamics in both local and global contexts **Religious Television and Pious Authority in Pakistan**

Taha Kazi, 2021-04-06 In Pakistan religious talk shows emerged as a popular television genre following the 2002 media liberalization reforms Since then these shows have become important platforms where ideas about Islam and religious authority in Pakistan are developed and argued In *Religious Television and Pious Authority in Pakistan* Taha Kazi reveals how these talk shows mediate changes in power belief and practice She also identifies the sacrifices and compromises that religious scholars feel compelled to make in order to ensure their presence on television These scholars of varying doctrinal and educational backgrounds including madrasa educated scholars and self taught celebrity preachers are given screen time to debate and issue religious edicts on the authenticity and contemporary application of Islamic concepts and practices In response viewers are sometimes allowed to call in live with questions Kazi maintains that these featured debates inspire viewers to reevaluate the status of scholarly edicts thereby fragmenting religious authority By exploring how programming decisions inadvertently affect viewer engagements with Islam *Religious Television and Pious Authority in Pakistan* looks beyond the revivalist impact of religious media and highlights the prominence of religious talk shows in disrupting expectations about faith **Antisemitism on Social Media**

Monika Hübscher, Sabine von Mering, 2022-03-22 *Antisemitism on Social Media* is a book for all who want to understand this phenomenon Researchers interested in the matter will find innovative methodologies CrowdTangle or Voyant Tools mixed with discourse analysis and new concepts tertiary antisemitism antisemitic escalation that should become standard in research on antisemitism on social media It is also an

invitation to students and up and coming and established scholars to study this phenomenon further This interdisciplinary volume addresses how social media with its technology and business model has revolutionized the dissemination of antisemitism and how this impacts not only victims of antisemitic hate speech but also society at large The book gives insight into case studies on different platforms such as Twitter Facebook TikTok YouTube and Telegram It also demonstrates how social media is weaponized through the dissemination of antisemitic content by political actors from the right the left and the extreme fringe and critically assesses existing counter strategies People working for social media companies policy makers practitioners and journalists will benefit from the questions raised the findings and the recommendations Educators who teach courses on antisemitism hate speech extremism conspiracies and Holocaust denial but also those who teach future leaders in computer technology will find this volume an important resource

The The Living History of Pakistan (2015-2016) Inam R Sehri, 2022-06-09 The history of Pakistan from 2015 2016 Sixth book in the series *Understanding*

World Media Dr Kumar Kaustubha, Dr Ajitabh & Mudita Agnihotri Sant, 2021-08-14 *Understanding World Media* Understanding World Media sets out to mirror world media and the freedom it enjoyed across the globe in about 200 countries While media is an important part of academic research concerns have been raised globally on its content intent and freedom of expression To the extent that even as per the data compiled by Reporters Without Borders democratic India ranks below par at 138 in the World Press Freedom Index 2018 out of the 180 listed nations Though it is a question of debate and discussions to what extent media in India is considered free or under censorship When India is emerging as a global power with over 55 percent of its population is under 35 years of age interest in the world community and media is growing leaps and bounds It is in this context that this book magnifies its mirror to bring facts about the status and understanding of media in the world For any book like this it will always have its challenges to cover subjects like media in a nutshell but for today this book is timely and relevant It is a balanced and thoughtful effort to present such a comprehensive book in a crisp and concise manner as it is difficult to get experts on various countries to write on their respective domains We have put our utmost effort to consolidate all necessary information and analysis required for this collection and we are very hopeful that it will serve its purpose fulfill the void and information gap about the world media *Understanding World Media* is structured around two clear themes the status of media in various countries and its freedom of expression It is divided into five parts covering vast geographical areas in Asia Europe the Americas Africa and Australia Oceania

The Longest August Dilip Hiro, 2015-02-24 The partitioning of British India into independent Pakistan and India in August 1947 occurred in the midst of communal holocaust with Hindus and Sikhs on one side and Muslims on the other More than 750 000 people were butchered and 12 million fled their homes primarily in caravans of bullock carts to seek refuge across the new border it was the largest exodus in history Sixty seven years later it is as if that August never ended Renowned historian and journalist Dilip Hiro provides a riveting account of the relationship between India and Pakistan tracing the landmark events that led to the

division of the sub continent and the evolution of the contentious relationship between Hindus and Muslims To this day a reasonable resolution to their dispute has proved elusive and the Line of Control in Kashmir remains the most heavily fortified frontier in the world with 400 000 soldiers arrayed on either side Since partition there have been several acute crises between the neighbors including the secession of East Pakistan to form an independent Bangladesh in 1971 and the acquisition of nuclear weapons by both sides resulting in a scarcely avoided confrontation in 1999 and again in 2002 Hiro amply demonstrates the geopolitical importance of the India Pakistan conflict by chronicling their respective ties not only with America and the Soviet Union but also with China Israel and Afghanistan Hiro weaves these threads into a lucid narrative enlivened with colorful biographies of leaders vivid descriptions of wars sensational assassinations gross violations of human rights and cultural signifiers like cricket matches The Longest August is incomparable in its scope and presents the first definitive history of one of the world s longest running and most intractable conflicts
