Vol.2 (of 2) (Illustrations) John Ashton, This book is not intended to be a History of Napoleon the First but simply to reproduce the bulk of the Caricatures and Satires published in England on our great enemy with as much of history as may help to elucidate them The majority of the caricatures are humorous others are silly or spiteful as will occasionally happen nowadays and some are too coarse for reproduction so that a careful selection has had to be made Gillray and Rowlandson generally signed their names to the work of their hands but wherever a caricature occurs unsigned by the artist I have attributed it on the authority of the late Edward Hawkins Esq some time Keeper of the Prints at the British Museum to whatever artist he has assigned it I have personally inspected every engraving herein described and the description is entirely my own Should there by chance be an occasional discrepancy as to a date it has been occasioned by the inconceivable contradictions which occur in different histories and newspapers To cite an instance in three different books are given three different dates of Napoleon leaving Elba andvi it was only by the knowledge that it occurred on a Sunday and by consulting an almanac for the year 1815 that I was able absolutely to determine it The frontispiece is taken from a very rare print and gives a novel view of Napoleon to us who are always accustomed to see him represented in military uniform That my readers may find some instruction mingled with the amusement I have provided for them is the earnest wish of
