As I Walked Out One Midsummer Morning Laurie Lee, 2014-06-10 The author of *Cider with Rosie* continues his bestselling autobiographical trilogy with a wondrous adventure through Spain on the eve of its civil war Library Journal On a bright Sunday morning in June 1934 Laurie Lee left the village home so lovingly portrayed in his bestselling memoir *Cider with Rosie* His plan was to walk the hundred miles from Slad to London with a detour of an extra hundred miles to see the sea for the first time He was nineteen years old and brought with him only what he could carry on his back a tent a change of clothes his violin a tin of biscuits and some cheese He spent the first night in a ditch wide awake and soaking wet From those unlikely beginnings Laurie Lee fashioned not just the adventure of a lifetime but one of the finest travel narratives of the twentieth century *As I Walked Out One Midsummer Morning* written more than thirty years after the events it describes is an elegant and irresistibly charming portrait of life on the road first in England where the familiar landscapes and people somehow made Lee feel far from home and then in Spain whose utter foreignness afforded a new kind of comfort In that brief period of peace a young man was free to go wherever he wanted to in Europe Lee picked Spain because he knew enough Spanish to ask for a glass of water What he did not know and what would become clear only after a year spent tramping across the beautiful and rugged countryside from the Galician port city of Vigo over the Sierra de Guadarrama and into Madrid and along the Costa del Sol was that the Spanish Republic would soon need idealistic young men like Lee as badly as he needed it

The Autobiographical Trilogy Laurie Lee, 2018-05-22 A young man's journey from the international bestselling account of his idyllic childhood in rural England to a poetic memoir of the Spanish Civil War The Washington Post In his acclaimed autobiographical trilogy one of the great writers of the twentieth century presents a vivid portrait of coming of age in Europe between the wars The Independent Beginning with the international bestselling lyrical memoir of his childhood in the Cotswolds Laurie Lee follows up with a fascinating travel narrative of crossing England and Spain on foot and brings the story to a climax with a gripping chronicle of his part in the Spanish Civil War *Cider with Rosie* International Bestseller Three years old and wrapped in a Union Jack to protect him from the sun Laurie Lee arrived in the village of Slad in the final summer of the First World War The cottage his mother had rented had neither running water nor electricity but it was surrounded by a lovely half acre garden and big enough for the seven children in her care In this verdant valley tucked into the rolling hills of the Cotswolds Lee learned to look at life with a painter's eye and a poet's heart qualities of vision that decades later would make him one of England's most cherished authors A remarkable book dazzling The New York Times *As I Walked Out One Midsummer Morning* At age nineteen Lee set out to walk the hundred miles from Slad to London carrying only a change of clothes his violin a tent a tin of biscuits and some cheese With a detour of an extra hundred miles to see the sea for the first time Lee hopped a ferry to Spain because he knew enough Spanish to ask for a glass of water and wandered the country for a year on foot In one of the finest travel narratives of the twentieth century Lee offers an unforgettable

portrait of Spain on the eve of its civil war The vivid sensitive irresistibly readable story of what happened after Lee left home
 The Daily Mail A Moment of War Returning to a divided Spain in the bitter December of 1937 by crossing the Pyrenees from
 France the idealistic young Lee came face to face with the reality of war in this New York Times Notable Book The
 International Brigade he sought to join was far from the gallant fighting force he d envisioned but instead a collection of
 misfits without proper leadership or purpose In a sudden confrontation with the enemy he was left feeling anything but
 heroic Captured more than once as a spy Lee was lucky to escape with his life Written with brilliant economy and belongs to
 the remarkable literature which the Spanish Civil War inspired The Independent *The Unremembered Places* Patrick
 Baker,2020-05-21 Shortlisted for the The Great Outdoors Awards Outdoor Book of the Year 2020 Shortlisted for the
 Boardman Tasker Award for Mountain Literature 2020 There are strange relics hidden across Scotland s landscape forgotten
 places that are touchstones to incredible stories and past lives which still resonate today Yet why are so many of these wild
 histories unnoticed and overlooked And what can they tell us about our own modern identity From the high mountain passes
 of an ancient droving route to a desolate moorland graveyard from uninhabited post industrial islands and Clearance villages
 to caves explored by early climbers and the mysterious strongholds of Christian missionaries Patrick Baker makes a series of
 journeys on foot and by paddle Along the way he encounters Neolithic settlements bizarre World War Two structures
 evidence of illicit whisky production sacred wells and Viking burial grounds Combining a rich fusion of travelogue and
 historical narrative he threads themes of geology natural and social history literature and industry from the places he visits
