As We Await Blessed Hope:

As We Await the Blessed Hope Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no *The Gnostics, the New Versions and the Deity of Christ* Jay P. Green, Sr., George Whitefield, 2000-07 If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit having all the attributes of the Trinity while on earth as well as while He reigned in Heaven then we of all men are most miserable And how

do we know that He is and always has been God from eternity It is written in the Holy Scriptures But what if the version of the Bible we read is ambivalent in one place saying He is co equal with God and in another place denying Him one or more of the attributes that are essential to God Read this book and you will see that all but three of the new versions are guilty of denying Christ s goodness sinlessness omnipresence omniscience omnipotence and a dozen more of the attributes of God You will see it written in black and white with exact quotations from eight of the new versions This important challenge to the trend so evident in the new versions the despising of the words God breathed out through the prophets and apostles and the mixing in of the corrupt wisdom of men ought to be supported by every one of you who love God and His Word as HB wrote it
