A Ring Of Endless Light Book:

A Ring of Endless Light Madeleine L'Engle, 2008-09-02 In book four of the award winning Austin Family Chronicles young adult series from Madeleine L'Engle author of *A Wrinkle in Time* Vicky Austin experiences the difficulties and joys of growing up. This wasn't the first time that I'd come close to death but it was the first time I'd been involved in this part of it this strange terrible saying goodbye to someone you've loved. These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather who himself is dying of cancer recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then in the midst of her struggle she finds herself the center of attention for three young men. Leo Commander Rodney's son turns to her as an old friend seeking comfort but longing for romance. Zachary whose attempted suicide inadvertently caused Commander Rodney's death sees her as the one sane and normal person who can give some meaning to his life. And Adam a serious young student working at the nearby marine biology station discovers Vicky his friend's little sister incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry but life goes on around her and the strain intensifies as she confronts matters of love and of death of dependence and of responsibility universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness sensitivity and the love of others to overcome her private grief. Once again Madeleine L'Engle has written a story that revels in the drama of vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences. *A Ring of Endless Light* is a 1981 Newbery Honor Book. Horne, 2018-12-03 *Conversations with Madeleine L Engle* is the first collection of interviews with the beloved children s book author best known for her 1962 Newbery Award winning novel *A Wrinkle in Time* However Madeleine L Engle s accomplishments as a writer spread far beyond children s literature Beginning her career as a literary novelist for adults L Engle 1918 2007 continued to write fiction for both young and old long after *A Wrinkle in Time* In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children s books and the larger Christian community L Engle s books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children s author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways
