So You Want to Be a Doctor? David Metcalfe, Harveer Dev, Michael Moazami, 2021

Applying to medical school is like asking someone to marry you. This might seem like an exaggeration, however, over your life, you will spend more hours working than you will spend awake with your life partner. Like marriage, being a doctor will change who you are, influence where you live, and affect what you can do with your life. For the right person, this can be a wonderful, life-affirming experience. Otherwise, divorce from a medical career can be messy, painful, and upsetting.
