Bad Therapy Abigail Shrier, 2024-02-27 NEW YORK TIMES BESTSELLER From the author of *Irreversible Damage* an investigation into a mental health industry that is harming not healing American children In virtually every way that can be measured Gen Z s mental health is worse than that of previous generations Youth suicide rates are climbing antidepressant prescriptions for children are common and the proliferation of mental health diagnoses has not helped the staggering number of kids who are lonely lost sad and fearful of growing up What s gone wrong with America s youth In *Bad Therapy* bestselling investigative journalist Abigail Shrier argues that the problem isn t the kids it s the mental health experts Drawing on hundreds of interviews with child psychologists parents teachers and young people Shrier explores the ways the mental health industry has transformed the way we teach treat discipline and even talk to our kids She reveals that most of the therapeutic approaches have serious side effects and few proven benefits Among her unsettling findings Talk therapy can induce rumination trapping children in cycles of anxiety and depression Social Emotional Learning handicaps our most vulnerable children in both public schools and private Gentle parenting can encourage emotional turbulence even violence in children as they lash out desperate for an adult in charge

Mental health care can be lifesaving when properly applied to children with severe needs but for the typical child the cure can be worse than the disease *Bad Therapy* is a must read for anyone questioning why our efforts to bolster America's kids have backfired and what it will take for parents to lead a turnaround *New York Magazine*, 1991-01-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Creative Therapy** Kate Ollier, Angela Hobday, 2004-04-01 Adolescence is a difficult time but it is particularly difficult for those who have experienced sexual abuse In *Creative Therapy Adolescents Overcoming Child Sexual Abuse* authors Kate Ollier and Angela Hobday provide ways of working with teenagers to help them regain confidence and feel positive about their future and to make their therapeutic journey a stimulating yet emotionally stabilising time As each person reacts differently Creative Therapy has a wide variety of over 100 activities and coping strategies that can be tailored to the individual The activities use a multi modal approach designed to make therapy both effective and as far as possible fun The activities cover many areas of need for survivors of sexual abuse from learning to recognise and regulate emotion to self identity and coping strategies on which the young person can build a bright future Creative Therapy is certain to appeal to all therapists and clinicians working in the area of abuse Even the most experienced professional is likely to be inspired by the range of lively ideas dealing with a very difficult subject **Female Survivors of Sexual Abuse** Christine D. Baker, 2014-01-14 How can we treat survivors of sexual abuse more effectively Sexual abuse against females is a serious problem in society and there is a need for a greater understanding of the presentation and treatment of adult survivors of sexual abuse In *Female Survivors of Sexual Abuse* Christine Baker combines her clinical experience with an innovative approach to the treatment of this problem *Female Survivors of Sexual Abuse* addresses the experience of 180 female adults who were sexually abused in childhood and provides detailed analyses and treatment approaches The subject matter is presented in an accessible and compassionate way imparting personal opinion and experience It covers female survivors their stories and the evidence integration the alliance and the therapist the survivor's journey to recovery the families disclosure and the role of the mother This book enables the reader to enter the experience of the survivors and follow their progress to recovery while highlighting the ever changing state of knowledge in this difficult area It will be invaluable to practitioners and students of clinical psychology counselling and psychiatry **The Commanding Heights** Daniel Yergin, Joseph Stanislaw, 2002-06-15 *The Commanding Heights* is about the most powerful political and economic force in the world today the epic struggle between government and the marketplace that has over the last twenty years turned the world upside down and dramatically transformed our lives Now the Pulitzer Prize winning author of *The Prize* joins with a leading expert on the new marketplace to explain the

revolution in ideas that is reshaping the modern world Written with the same sweeping narrative power that made *The Prize* an enormous success *The Commanding Heights* provides the historical perspective the global vision and the insight to help us understand the tumult of the past half century Trillions of dollars in assets and fundamental political power are changing hands as free markets wrest control from government of the commanding heights the dominant businesses and industries of the world economy Daniel Yergin and Joseph Stanislaw demonstrate that words like privatization and deregulation are inadequate to describe the enormous upheaval that is unfolding before our eyes Along with the creation of vast new wealth the map of the global economy is being redrawn Indeed the very structure of society is changing New markets and new opportunities have brought great new risks as well How has all this come about Who are the major figures behind it How does it affect our lives The collapse of the Soviet Union the awesome rise of China the awakening of India economic revival in Latin America the march toward the European Union all are a part of this political and economic revolution Fiscal realities and financial markets are relentlessly propelling deregulation achieving a new balance between government and marketplace will be the major political challenge in the coming years Looking back the authors describe how the old balance was overturned and by whom Looking forward they explore these questions Will the new balance prevail Or does the free market contain the seeds of its own destruction Will there be a backlash against any excesses of the free market And finally *The Commanding Heights* illuminates the five tests by which the success or failure of all these changes can be measured and defines the key issues as we enter the twenty first century *The Commanding Heights* captures this revolution in ideas in riveting accounts of the history and the politics of the postwar years and compelling tales of the astute politicians brilliant thinkers and tenacious businessmen who brought these changes about Margaret Thatcher Donald Reagan Deng Xiaoping and Bill Clinton share the stage with the Minister of Thought Keith Joseph the broommaker's son Domingo Cavallo and Friedrich von Hayek the Austrian economist who was determined to win the twenty year battle of ideas It is a complex and wide ranging story and the authors tell it brilliantly with a deep understanding of human character making critically important ideas lucid and accessible Written with unique access to many of the key players *The Commanding Heights* like no other book brings us an understanding of the last half of the twentieth century and sheds a powerful light on what lies ahead in the twenty first century
