

Solution Manual for Fundamentals of Database Systems , 7th Edition

CHAPTER 1: DATABASES AND DATABASE USERS

Answers to Selected Exercises

1.8 - Identify some informal queries and update operations that you would expect to apply to the database shown in Figure 1.2.

Answer:

- (a) (Query) List the names of all students majoring in Computer Science.
- (b) (Query) What are the prerequisites of the Database course?
- (c) (Query) Retrieve the transcript of Smith. This is a list of <CourseName, SectionIdentifier, Semester, Year, Grade> for each course section that Smith has completed.
- (d) (Update) Insert a new student in the database whose Name=Jackson, StudentNumber=23, Class=1 (freshman), and Major=MATH.
- (e) (Update) Change the grade that Smith received in Intro to Computer Science section 119 to B.

1.9 - What is the difference between controlled and uncontrolled redundancy?

Answer:

Redundancy is when the same fact is stored multiple times in several places in a database. For example, in Figure 1.5(a) the fact that the name of the student with StudentNumber=8 is Brown is stored multiple times. Redundancy is controlled when the DBMS ensures that multiple copies of the same data are consistent; for example, if a new record with StudentNumber=8 is stored in the database of Figure 1.5(a), the DBMS will ensure that StudentName=Smith in that record. If the DBMS has no control over this, we have uncontrolled redundancy.

1.10 - Specify all the relationships among the records of the database shown in Figure 1.2.

Answer:

- (a) Each SECTION record is related to a COURSE record.
- (b) Each GRADE_REPORT record is related to one STUDENT record and one SECTION record.
- (c) Each PREREQUISITE record relates two COURSE records: one in the role of a course, and the other in the role of a prerequisite to that course.

1.11 - Give some additional views that may be needed by other user groups shown in Figure 1.2.

Answers To Lab Manual Fundamentals Of Database

Mr. Rohit Manglik

Answers To Lab Manual Fundamentals Of Database:

Yeah, reviewing a books **Answers To Lab Manual Fundamentals Of Database** could be credited with your near links listings. This is just one of the solutions for you to be successful. As understood, deed does not suggest that you have astounding points.

Comprehending as with ease as harmony even more than other will have enough money each success. next-door to, the revelation as competently as perspicacity of this Answers To Lab Manual Fundamentals Of Database can be taken as competently as picked to act.
