Arcana A Historical Fantasy:

Arcana Jessica Leake, 2017-08-01 Amid the sumptuous backdrop of the London season in 1905 headstrong Katherine Sinclair must join the ranks of debutantes vying for suitors Unfortunately for Katherine she cannot imagine anything more loathsome or dangerous To help ease her entrance into society Katherine s family has elicited the assistance of the Earl of Thornewood a friend and London s most eligible bachelor to be her constant companion at the endless fetes and balls But upon her arrival in London Katherine realizes there will be more to this season than just white gowns and husband hunting Through her late mother s enchanted diary Katherine receives warning to keep hidden her otherworldly ability to perform arcana a magic fueled by the power of the sun Any misstep could mean ruin and not just for her family name The Order of the Eternal Sun is everywhere hunting for those like her able to feed on arcana with only a touch of the hand But society intrigue can be just as perilous as the Order The machinations of the fashionable elite are a constant threat and those who covet Katherine s arcana seeking the power of her birthright could be hiding behind the facade of every suitor even the darkly handsome Earl of Thornewood With so much danger and suspicion can she give her heart to the one who captivates her or is he just another after her power

The Dragon Arcana Pierre Pevel, 2011-11-17 The swashbuckling adventure perfect for fans of THE THREE MUSKETEERS continues This is Paris This is 1633 This is a world under attack from dragons Cardinal Richelieu is on his guard against the greatest danger he or France has faced A secret society known as the Black Claw is plotting in the shadows They have already struck twice and with their third blow they mean to finish their task Unless the Cardinal s Blades can stop them They are all prepared to risk their lives for the Crown this time the question is not whether they will need to it s whether or not

they will survive Who are the Dragon Arcana what secret are the Chatelaine nuns trying so hard to protect and if an ancient dragon is unleashed on Paris will the Blades really stand a chance against it

Historical Dictionary of Fantasy Literature

Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

The A to Z of Fantasy Literature

Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
