Psicomagia / Psicomagic Alejandro Jodorowsky, 2020-01-21 Un camino de curación utilizando el poder de los sueños el teatro la poesía y el chamanismo El poder transformativo de la psicoterapia shamanica Muestra cómo las realizaciones psicológicas pueden causar una verdadera transformación cuando se manifiestan mediante actos poéticos concretos Incluye muchos ejemplos de las acciones surrealistas pero exitosas que Jodorowsky ha prescrito a quienes buscan su ayuda Mientras vivía en México Alejandro Jodorowsky se familiarizó con las curas coloridas y efectivas proporcionadas por los curanderos populares Se dio cuenta de que al inconsciente le resulta más fácil comprender el lenguaje de los sueños que el de la racionalidad La enfermedad puede incluso verse como un sueño físico que revela problemas emocionales y psicológicos no resueltos Psicomagia presenta los principios chamánicos y genealógicos que Jodorowsky descubrió para crear una terapia curativa que podrá usar los poderes de los sueños el arte y el teatro para empoderar a las personas para curar heridas que en algunos casos habían viajado a través de generaciones Las acciones poéticas concretas y a menudo surrealistas que emplea Jodorowsky son parte de una estrategia elaborada destinada a romper la persona disfuncional con la que el paciente se identifica para conectarse con un yo más profundo Ah es cuando se puede manifestar la verdadera transformación Para un joven que se quejaba de que vivía solo en su cabeza y era incapaz de aferrarse a la realidad y avanzar hacia la autonomía financiera que deseaba Jodorowsky le dio la receta para pegar dos monedas de oro en las suelas de sus zapatos para que todo el día estar caminando sobre oro A un juez cuya vanidad dominaba cada uno de sus movimientos se le dio la tarea de vestirse como un vagabundo y mendigar afuera de uno de los restaurantes de moda que amaba frecuentar mientras sacaba los ojos de muéca de cristal de sus bolsillos La lección para él fue que si un vagabundo puede llenarse los bolsillos con globos oculares entonces no deben tener ningún valor y por lo tanto los ojos de los demás no deben tener relación con quién eres y qué haces Tomando a sus pacientes directamente en sus palabras Jodorowsky toma los mismos elementos asociados con una carga emocional negativa y los reformula en una acción que los hará positivos y les permitirá pagar las deudas psicológicas que obstaculizan sus vidas

ENGLISH DESCRIPTION A healing path using the power of dreams theater poetry and shamanism Shows how psychological realizations can cause true transformation when manifested by concrete poetic acts Includes many examples of the surreal but successful actions Jodorowsky has prescribed to those seeking his help While living in Mexico Alejandro Jodorowsky became familiar with the colorful and effective cures provided by folk healers He realized that it is easier for the unconscious to understand the language of dreams than that of rationality Illness can even be seen as a physical dream that reveals unresolved emotional and psychological problems Psychomagic presents the shamanic and genealogical principles Jodorowsky discovered to create a healing therapy that could use the powers of dreams art and theater to empower individuals to heal wounds that in some cases had traveled through generations The concrete and often surreal poetic actions Jodorowsky employs are part of an elaborate strategy intended to break apart the dysfunctional

persona with whom the patient identifies in order to connect with a deeper self That is when true transformation can manifest For a young man who complained that he lived only in his head and was unable to grab hold of reality and advance toward the financial autonomy he desired Jodorowsky gave the prescription to paste two gold coins to the soles of his shoes so that all day he would be walking on gold A judge whose vanity was ruling his every move was given the task of dressing like a tramp and begging outside one of the fashionable restaurants he loved to frequent while pulling glass doll eyes out of his pockets The lesson for him was that if a tramp can fill his pockets with eyeballs then they must be of no value and thus the eyes of others should have no bearing on who you are and what you do Taking his patients directly at their words Jodorowsky takes the same elements associated with a negative emotional charge and recasts them in an action that will make them positive and enable them to pay the psychological debts hindering their lives *De ilusiones también se malvive* Xavier Guix,2014-06-18 De ilusiones también se malvive es un conjunto de reflexiones sobre cómo construimos nuestros estados ilusorios y sobre la práctica del autoconocimiento la herramienta fundamental para evitar los estados ilusorios de la mente Quizás sea cierto que de ilusiones también se pueda malvivir Pero quien desea una vida mal vivida No he conocido a nadie que al igual que yo no esté buscando la manera de vivir con plenitud en paz y tranquilidad De amar y ser amado Solo que lo buscamos por caminos diferentes y uno de ellos es la construcción de falsas ilusiones de sueños imposibles de vivir eternamente creyendo que todas las posibilidades están a nuestra disposición en todo momento Este es un libro para los amantes de la psicología para los buscadores de autenticidad para los que quieren vivir despiertos El proceso de autoconocimiento y la búsqueda de nuestra naturaleza más profunda más espiritual es un camino lleno de retos y también de amenazas que el libro explora en profundidad Su lectura permite adentrarse en la construcción de nuestra identidad en los estados ilusorios de la mente y en el poder de las creencias así como en la insatisfacción y el vacío que producen las expectativas exageradas sobre la vida sobre los demás y sobre nosotros mismos La única manera de acabar con las falsas ilusiones y los autoengaños continuados no consiste en negarse a tener ilusión alguna sino a conocerse a uno mismo Xavier Guix Reseñas He aquí el libro más maduro de Xavier Guix el libro que llevamos tiempo esperando Pocos autores serían capaces de integrar psicología y espiritualidad con tanta amenidad y precisión Javier Melloni autor de El Deseo esencial Un libro que nos invita a soñar despiertos a practicar la lucidez a no dimitir de la vida Francesc Torralba autor de El valor de ser uno mismo **Memorias de un monje budista** Matthieu Ricard,2022-09-14 Este libro es un viaje de descubrimientos asombrosos para aquellos que buscan entender la naturaleza profunda del ser humano Gaïlle Richard Sud Ouest Matthieu Ricard nació en 1967 a los veinte años cuando conoció a su padre espiritual en Darjeeling India Cinco años después dejó a su brillante carrera científica a la que parecía estar destinado para trasladarse a una pequeña cabecera en el Himalaya Su primera vida repartida entre la ciudad y el campo le había convertido en un joven amante de la naturaleza y de la mística clásica con curiosidad por la espiritualidad y por desvelar los misterios de la biología molecular Su segunda vida le llevó por el camino de
