The SAS 1983-2014 Leigh Neville, 2016-12-15 Highly trained and immensely skilled, the SAS are widely regarded as one of the best Special Forces units in the world. Their missions are uniquely diverse, ranging from counterterrorist responses at home and abroad, counterinsurgency in collaboration with US Delta Force and other foreign Special Forces, mobile operations in support of conventional forces targeting terrorist leaders and man hunting war criminals to direct action raids. This book charts the changing organization and operational emphases of the Regiment over the past 25 years, its individual deployments and operations, including those planned but aborted, joint missions with other British and foreign units. It sheds light on the SAS's involvement in the Troubles of Northern Ireland, their operations in Iraq, Afghanistan, and the widespread use of the SAS in counterterrorism and counterinsurgency operations since 9/11.
