Love-life in Nature Wilhelm Bölsche, 1926 **In Love with Life** Osho, 2015-01-13 In his preface to *Ecce Homo* Friedrich Nietzsche says this With Thus Spoke Zarathustra I have given mankind the greatest present that has ever been made to it so far This book with a voice bridging centuries is not only the highest book there is the book that is truly characterized by the air of the heights the whole fact of man lies beneath it at a tremendous distance it is also the deepest born out of the innermost wealth of truth an inexhaustible well to which no pail descends without coming up again filled with gold and goodness Perhaps only a contemporary mystic like Osho could truly understand what Nietzsche meant by this statement In *Love with Life* shares Osho s understanding of both Nietzsche the man and of his seminal work with extraordinary clarity and relevance to readers in the 21st century Ten chapters have been selected from a series of 43 talks given by Osho first published as two volumes *Zarathustra A God that Can Dance* and *Zarathustra The Laughing Prophet* Here Nietzsche is rescued from any remaining taint brought on by the Nazi misunderstanding and appropriation of his work and we also learn much about the mysterious and revolutionary Persian mystic Zarathustra Zoroaster whom Nietzsche chose as a spokesperson The result is an enchanting journey through a world where life is celebrated not renounced and where timeless truths prevail over the lies and distortions that continue to cripple our efforts to become healthy and whole
