The Art of War Zi Sun, 2018-12-29. CHUAN adding that there were two other CHUAN besides. This has brought forth a theory that the bulk of these 82 chapters consisted of other writings of Sun Tzu; we should call them apocryphal, similar to the WEN TA of which a specimen dealing with the Nine Situations 15 is preserved in the TUNG TIEN and another in Ho Shin's commentary. It is suggested that before his interview with Ho Lu, Sun Tzu had only written the 13 chapters but afterwards composed a sort of exegesis in the form of question and answer between himself and the King. Pi I-hsun, the author of the SUN TZU HSU LU, backs this up with a quotation from the WU YUEH CHUN CHIU. The King of Wu summoned Sun Tzu and asked him questions about the art of war. Each time he set forth a chapter of his work, the King could not find words enough to praise him. As he points out, if the whole work was expounded on the same scale as in the above-mentioned fragments, the total number of chapters could not fail to be considerable. Then the numero **The Art of War**. Dr. Gene Herndon, 2019-05-01. Do you know your enemy and about his tactics? Whether we know it or not, we are all in a battle today. Satan and his invisible demon emissaries are active, devious, and would like nothing more than to break apart your family, weaken your convictions, destroy your church, blemish the integrity of its leaders, and render you powerless in this life. Because the stakes are so high, you need to be equipped and ready to defend yourself from attacks and fight the good fight. We know that the struggle is real. This book offers you the insights and tools you'll need to understand and engage the enemy on God's terms and with his protection and blessing. Victory can truly be yours.
