Arthurian Animation A Study Of Cartoon Camelots On Film And Television

Nichola Dobson

Arthurian Animation A Study Of Cartoon Camelots On Film And Television:

Arthurian Animation Michael N. Salda, 2013-07-30 This is an exploration of the potent blend of Arthurian legend cartoon animation and cultural and artistic trends from 1933 to the present In more than 170 theatrical and televised short cartoons televised series and specials and feature length films from *The Sword in the Stone* to *Shrek the Third* all covered in this book animators have repeatedly brought the Round Table to life Although these productions differ greatly in tone and intent spanning spectra from comic to sober fantastic to realistic and entertaining to edifying they share in the proof of Camelot's continuing relevance in the modern world

Arthurian Animation Michael N. Salda, 2013-07-31 This is an exploration of the potent blend of Arthurian legend cartoon animation and cultural and artistic trends from 1933 to the present In more than 170 theatrical and televised short cartoons televised series and specials and feature length films from *The Sword in the Stone* to *Shrek the Third* all covered in this book animators have repeatedly brought the Round Table to life Although these productions differ greatly in tone and intent spanning spectra from comic to sober fantastic to realistic and entertaining to edifying they share in the proof of Camelot's continuing relevance in the modern world (2014) Raluca Radulescu, 2016-01-15 The purpose of the BIAS is year by year to draw attention to all scholarly books and articles directly concerned with the *matière de Bretagne* The bibliography aims to include all books reviews and articles published in the year preceding its appearance an exception being made for earlier studies which have been omitted inadvertently The present volume contains over 700 entries on relevant publications that were published in 2013

Bodily and Spiritual Hygiene in Medieval and Early Modern Literature Albrecht Classen, 2017-03-20 While most people today take hygiene and medicine for granted they both have had their own history We can gain deep insights into the pre modern world by studying its health care system its approaches to medicine and concept of hygiene Already the early Middle Ages witnessed great interest in bathing hot and cold swimming and good personal hygiene Medical activities grew over time but even early medieval monks were already great experts in treating the sick The contributions examine literary medical historical texts and images and probe the information we can glean from them The interdisciplinary approach of this volume makes it possible to view this large field in a complex and diversified manner taking into account both early medieval and early modern treatises on medicine water bathing and health Such a cultural historical perspective creates a most valuable bridge connecting literary and scientific documents under the umbrella of the history of mentality and history of everyday life The volume does not aim at idealizing the past but it definitely intends to deconstruct modern myths about the dirty and unhealthy Middle Ages and early modern age

Words that Tear the Flesh Stephen Alan Baragana, Elizabeth Louise Rambo, 2018-01-22 The rhetorical trope of irony is well trod territory with books and essays devoted to its use by a wide range of medieval and Renaissance writers from the *Beowulf* poet and Chaucer to Boccaccio and Shakespeare however the use of sarcasm the flesh tearing form of irony in the same literature has seldom been studied at length or in depth Sarcasm is notoriously difficult to pick out in a

written text since it relies so much on tone of voice and context This is the first book length study of medieval and Renaissance sarcasm Its fourteen essays treat instances in a range of genres both sacred and secular and of cultures from Anglo Saxon to Arabic where the combination of circumstance and word choice makes it absolutely clear that the speaker whether a character or a narrator is being sarcastic Essays address among other things the clues writers give that sarcasm is at work how it conforms to or deviates from contemporary rhetorical theories what role it plays in building character or theme and how sarcasm conforms to the Christian milieu of medieval Europe and beyond to medieval Arabic literature The collection thus illuminates a half hidden but surprisingly common early literary technique for modern readers

The Challenges of the Humanities, Past, Present, and Future Albrecht Classen, 2018-10-08 This book is a printed edition of the Special Issue The Challenges of the Humanities Past Present and Future Volume 1 that was published in Humanities

Arthurian Legends on Film and Television Bert Olton, 2000 The Arthurian legends are a crucial part of Western culture and literature With their enduring themes archetypal characters and complex plots it is not surprising that the stories of Camelot should find their way into films and television programs From the moody Excalibur to the looney Knighty Knight Bugs over 250 entries describe the various media interpretations of the legendary king and his trusty knights Entries are arranged alphabetically with complete credits synopses and analyses of the ways in which the pieces interpret the legend Included are works like The Sword in the Stone that are based solely on Arthur and his literary origins as well as those that feature other Camelot characters like Galahad Percival and the operatic favorites Tristan and Isolde Also included are fanciful interpretations in animated films parodies like Monty Python s films like Indiana Jones and the Last Crusade that feature Arthurian themes and television programs with Arthurian episodes such as Babylon 5 and MacGyver Operatic and dramatic works like Camelot that have been recorded for film and television are also covered Appendices a bibliography and an index are included

[A Reader In Animation Studies](#) Society of Animation Studies, 1997 Cartoons both from the classic Hollywood era and from more contemporary feature films and television series offer a rich field for detailed investigation and analysis Contributors draw on theories and methodology from film television and media studies art history and criticism and feminism and gender studies

Historical Dictionary of Animation and Cartoons Nichola Dobson, 2020-06-15 Historical Dictionary of Animation and Cartoons is intended to provide an overview of the animation industry and its historical development The animation industry has been in existence as long some would argue longer than cinema yet it has had less exposure in terms of the discourse of moving image history This book introduces animation by considering the various definitions that have been used to describe it over the years A different perception of animation by producers and consumers has affected how the industry developed and changed over the past hundred years This second edition of Historical Dictionary of Animation and Cartoons contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on animators directors studios techniques films and some of the best known

characters This book is an excellent resource for students researchers and anyone wanting to know more about animation and cartoons *Of Mice and Magic* Leonard Maltin, 1980 In this revised and updated edition of *Of Mice and Magic* Leonard Maltin not only recreates this whole glorious era from the silent days through the Hollywood golden age to Spielberg's *An American Tail* he traces the evolution of the art of animation and vividly portrays the key creative talents and their studios This definitive history of American animated cartoons also brings Maltin's many fans up to date on the work being done today at the Walt Disney and Warner Bros studios and other developments in the world of animation Drawing on colorful interviews with many of the American cartoon industry's principals Maltin has come up with a gold mine of anecdotes and film history Behind the scenes were genius animators and entrepreneurs such as Walt Disney Chuck Jones Tex Avery Mel Blanc and a legion of others In all Maltin has put together a glorious celebration of a universally loved segment of Americana Book jacket
