A Safe Haven Harry S Truman And The Founding Of Israel:

A Safe Haven Allis Radosh, Ronald Radosh, 2023-11-21 A dramatic detailed account of the events leading up to the State of Israel's creation and President Truman's controversial 1948 decision to recognize it This revelatory account of Truman's vital contributions to Israel's founding is told with an elegance informed by thorough research Wall Street Journal Even knowing how the story ends *A Safe Haven* had me sitting on the edge of my seat Cokie Roberts On May fourteen 1948 under the stewardship of President Harry S Truman the United States became the first nation to recognize the State of Israel just moments after sovereignty had been declared in Jerusalem But it was hardly a foregone conclusion that America would welcome the creation of this new country While acknowledging this as one of his proudest moments Truman also admitted that no issue was more controversial or more complex than the problem of Israel Impeccably researched and brilliantly told based on never before used archival material *A Safe Haven* is a suspenseful moment by moment re creation of this crossroads in U S Israeli relations and Middle Eastern politics *A Safe Haven* is an outstanding achievement This is certain to become an essential work for students journalists and statesmen indeed anyone interested in understanding Israel's origins Michael Oren author of *Power Faith and Fantasy America in the Middle East 1776 to the Present* and *Six Days of War June 1967 and the Making of the Modern Middle East*

Viorst,2025-10-16 From serving as the Middle East correspondent for The New Yorker to penning articles for the New York Times Milton Viorst has dedicated his career to studying the Middle East Now in this new book Viorst examines the evolution of Zionism from its roots by serving as a cultural refuge for Europe s Jews to the cover it provides today for Israel s exercise of control over millions of Arabs in occupied territories Beginning with the shattering of the traditional Jewish society during the Enlightenment Viorst covers the recent history of the Jews from the spread of Jewish Emancipation during the French Revolution Era to the rise of the exclusionary anti Semitism that overwhelmed Europe in the late nineteenth century Viorst examines how Zionism was born and follows its development through the lives and ideas of its dominant leaders who all held only one tenet in common that Jews for the first time in two millennia must determine their own destiny to save themselves But in regards to creating a Jewish state with a military that dominates the region Viorst argues that Israel has squandered the goodwill it enjoyed at its founding and thus the country has put its own future on very uncertain footing With the expertise and knowledge garnered from decades of studying this contentious region Milton Viorst deftly exposes the risks that Israel faces today

United States Foreign Policy 1945-1968 Michael Wayne Santos,2020-01-17 Between 1945 and 1968 the possibility of Mutual Assured Destruction led to a host of odd realities including the creation of an affable cartoon turtle named Bert who taught millions of school children that nuclear war was survivable if they simply learned how to duck and cover Meanwhile fear of Communism played out against the backdrop of potential Armageddon to provide justification for a variety of covert operations involving regime change political assassination and sometimes bizarre plot twists United States Foreign Policy 1945 1968 The Bomb Spies Stories and Lies takes a fresh look at this complex often confusing and frequently farcical period in American and world history **The Decline of America** David D. Schein,2018-02-13 The Decline of America offers a carefully documented analysis of the last seventeen U S presidents These men eight Democrats and nine Republicans have shaped the last 100 years not only for America but for the world Each president is profiled with unsparing scrutiny so we can see where it s all gone wrong David Schein follows these critiques by proposing ways to improve America s outlook for the next 100 years before it s too late
