Backpage.com's Knowing Facilitation of Online Sex Trafficking United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Permanent Subcommittee on Investigations, 2017 *Taking Down Backpage* Maggy Krell, 2022-01-11 Taking Down Backpage explores fighting the world's largest sex trafficker **Carl Weber's Kingpins: Detroit** Ms. Michel Moore, 2020-12-29 Kalif is everything his adoptive family wants him not to be treacherous, conniving, and coldhearted. As much as he wishes to please them, he can't deny who he is and what he is destined to be. The hot-tempered young man is indeed his father's son. While off his meds, Kalif discovers the circumstances surrounding the brutal murder of his birth parents. In a matter of seconds, he totally snaps, ignoring the possible consequences. His rage and thirst for power increase. Deep off into the zone, Kalif develops zero tolerance for nonsense. Quickly, he rises through the ranks of the Motor City crime underworld, proving to everyone, including himself, that he deserves the hard-earned title of kingpin of Detroit. *Arab Detroit 9/11* Nabeel Abraham, Sally Howell, Andrew Shryock, 2011-09-01 Readers interested in Arab studies, Detroit culture, and history, transnational politics, and the changing dynamics of race and ethnicity in America will enjoy the personal reflection and analytical insight of *Arab Detroit 9/11*. **Minnesota Law Review**, 2015 **Printers' Ink Monthly**, 1929 *Oramedics* Robert O. Nara, 1979 Financial Exposure Elise J. Bean, 2018-08-07 At a time when Congressional investigations have taken on added importance and urgency in American politics, this book offers readers a rare insider's portrait of the world of US Congressional oversight. It examines specific oversight investigations into multiple financial and offshore tax scandals over fifteen years, from 1999 to 2014, when Senator Levin served in a leadership role on the US Senate Permanent Subcommittee on Investigations (PSI), the Senate's premier investigative body. Despite mounting levels of partisanship, dysfunction, and cynicism swirling through Congress during those years, this book describes how Congressional oversight investigations can be a powerful tool for uncovering facts, building bipartisan consensus, and fostering change, offering detailed case histories as proof. Grounded in fact and written as only an insider could tell it, this book will be of interest to financial and tax practitioners, policymakers, academics, students, and the general public. *Congressional Record* United States. Congress, 2012 *winter flower* Charles Sheehan-Miles, 2019-06-11 From the bestselling author of *Just Remember to Breathe* and *The Last Hour*, a shocking and poignant story of a family on the brink of destruction and the transformational events that could bring them back together or tear them apart. Every day, Cole Roberts reminds himself that life wasn't always this bleak. He was once passionately in love with Erin. Sam used to be an artistic and lively kid. They hadn't always lived in a shabby two-room house in rural Alabama where he runs a mediocre restaurant in the middle of nowhere. That was before Brenna disappeared. It was before Cole lost his job and they lost their home. Every day, it gets worse. Erin drinks wine out of the bottle and spends her days with a tormented expression, searching the web for signs of their daughter. Sam hides in his room and rarely speaks. And Cole works himself to a stupor for a paycheck, a fraction of the size of his old

salary Until one day a phone call changes everything Winter Flower is at once a tragic tale of the disappearance of a child struggling with gender identity of the dark world of sex trafficking and the transformation and healing of a family Sheehan Miles s longest novel delves into the depths of family life and how sometimes we can heal and find restoration Praise for Winter Flower Winter Flower is one of the most powerful and gripping stories I ve ever read Nicely Phrased Book Blog June 5 2019 Winter Flower is a story of survival It s a story of the power of love family and acceptance Christy Baldwin Book Babes Unite Sheehan Miles s writing as always is brilliant I love this author s voice and writing style There s an honesty to his storytelling which I think is why he is so good at conveying emotions and is why with every book he s written including this one I find myself crying while reading his words Feeding My Addiction Book Reviews I feel emotionally wrecked in the best way Bethany Talkbooks Blog Charles Sheehan Miles is one of the best authors I have read He has an incredible gift of creating characters who the readers immediately embrace as their own Saucy Southern Readers Blog This book is just really damn good Christopher Gerrib Author of The Night Watch This story sucked me in captivated me broke my heart then put it back together It is hard realistic gritty and suspenseful but it is tempered by hope and determination a powerful and emotional read that is also both hopeful and inspiring Kim B of Reviews by Tammy Kim Goodreads Review
