Benchmarking Self Assessment Democratic Parliaments Development

Dr Carl Adams

Benchmarking Self Assessment Democratic Parliaments Development:

Benchmarking and Self-Assessment for Parliaments Mitchell O'Brien, Rick Stapenhurst, Lisa von Trapp, 2016-03-28 With international focus on good governance and parliamentary effectiveness a standards based approach involving benchmarks and assessment frameworks has emerged to evaluate parliament's performance and guide its reforms The World Bank's has been a leader in the development of these frameworks stewarding a global multi stakeholder process aimed at enhancing consensus around parliamentary benchmarks and indicators with international organizations and parliaments across the world The results so far some of which are captured in this book are encouraging countries as diverse as Australia Canada Ghana Sri Lanka Tanzania and Zambia have used these frameworks for self evaluation and to guide efficiency driven reforms Donors and practitioners too are finding the benchmarks useful as baselines against which they can assess the impact of their parliamentary strengthening programs The World Bank itself is using these frameworks to surface the root causes of performance problems and explore how to engage with parliamentary institutions in order to achieve better results The World Bank can identify opportunities to help improve the oversight function of parliament thus holding governments to account giving voice to the poor and disenfranchised and improving public policy formation in order to achieve a nation's development goals In doing so we are helping make parliaments themselves more accountable to citizens and more trusted by the public

Development Aid in Stable Democracies and Fragile States A. H. Monjurul Kabir, 2018-07-21 This book is based on experience and reflections related to international support provided to parliaments and legislative bodies both in selected countries Afghanistan Bangladesh Ghana Serbia and Kyrgyzstan and globally The author intends to provide a critique of parliamentary support as part of development assistance or foreign aid for having been conceived in narrow terms of technical assistance and for failing to appreciate that aid effectiveness calls for a sound understanding of a country's politics culture and history The monograph examines the effectiveness of aid in both stable democracies and fragile and transition countries The project is ideal for audiences interested in regional politics the Middle East Africa South Asia Central Asia and development democracy studies

Crafting Parliament in Myanmar's Disciplined Democracy (2011-2021)

Renaud Egret, 2022-03-01 In January 2011 parliament was restored in Myanmar after two decades of military rule Startlingly it began to repeal obsolete laws scrutinize government expenditures summon ministers to the floor and discuss the state's annual budget It also allowed its elected representatives to make public the grievances collected from constituents infuriated at enduring practices of land confiscation petty corruption and everyday abuses of power Yet ten years later in February 2021 parliament was shut down again by a coup d'état What has been learned in the span of a decade of post junta parliamentary resurgence How could an elected legislature resurface and function in a country that had only limited experience with parliamentary affairs and representative politics since its independence from British rule What lessons can be drawn from the Myanmar case for parliamentary institution building and legislative developments and decay

in post authoritarian and praetorian contexts This book offers a compelling account of Myanmar s halting efforts to develop the institutional framework and practice of a parliament based democratic governance between 2011 and 2021 It charts the stages of such a legislative resurgence tracing its causes and exploring how various institutional and political legacies both informed and constrained the re establishment and operations of the Union legislature or Pyidaungsu Hluttaw Embracing both ethnographic observations and a methodical engagement with legislative proceedings and historical material Renaud Egreteau investigates how parliamentary life re emerged in Myanmar in the 2010s His analysis concentrates on key legislative mechanisms processes and tasks pertaining to government oversight budgetary control representation and lawmaking and interrogates how they were learned re appropriated and mis performed by Myanmar s new breed of legislators and parliamentary staff until the 2021 army takeover *Benchmarking and Self-assessment Toolkit for Parliaments in Southern Africa* ,2012 Proceedings of the 15th European Conference on eGovernment 2015 Dr Carl Adams,2015-06-18 Complete proceedings of the 15th European Conference on eGovernment Portsmouth UK Published by Academic Conferences and Publishing International Limited **Two Decades of Legislative Politics and Governance in Nigeria's National Assembly** Fatai Ayinde Aremu,Adebola Rafiu Bakare,2021-03-19 This book unpacks two decades of Nigeria s National Assembly spanning 4th 8th legislative sessions It focuses on the core areas of legislative functions lawmaking appropriation oversight and representation in examining the achievements challenges and prospects of the legislature This is particularly important because Nigeria being the most populous country in Africa is a crucial bastion of democratic governance in the region Therefore conducting deep diagnostics of the federal legislature as the custodian of popular mandate and the anchor of accountability offered immense opportunity for learning that would catalyze further institutional reforms and democratic consolidation World E-Parliament Report 2012 United Nations,2012 The World e Parliament Report 2012 presents the latest data on the use and availability of systems applications hardware and tools in parliaments all over the world The findings presented in the report are based on the results of the Global Survey of ICT in Parliaments 2012 conducted by the Global Centre for ICT in Parliament between February and May 2012 Comparisons are offered in the 2008 and 2010 editions The report provides readers with concrete examples of the adoption of ICT in the most significant areas of parliamentary business The report is intended to be read in conjunction with the 2008 and 2010 reports Parliamentarians' Professional Development Colleen Lewis,Ken Coghill,2015-12-09 This book addresses the education and training of Members of Parliament MPs It examines existing training programs offered in various countries around the world evaluates their strengths and weaknesses and makes recommendations for a new approach which aligns the professional development of MPs to 21st century requirements Contributors address the role of parliamentarians how to prepare them for their multi faceted functions the importance of ethics in any program the requirement for more sophisticated adult learning approaches human resource implications and the need to reform existing education and training

models The book will appeal to scholars in the fields of political science adult education and human resource management as well as to parliamentarians interested in enhancing their skills so as to perform more efficiently and effectively The Parliamentary ,2019 **The Routledge Handbook of Parliamentary Administrations** Thomas Christiansen,Elena Griglio,Nicola Lupo,2023-05-31 The Routledge Handbook of Parliamentary Administrations brings together an international multidisciplinary group of contributors providing a systematic and comprehensive analysis of parliamentary administrations Including chapters on the administrations of national parliaments in every member state of the European Union in most of the EU candidate countries and in key liberal democracies around the world this book represents a uniquely broad ranging resource Each national system is treated in a consistent manner with authors providing relevant facts figures and critical analysis according to a common framework Additionally it provides coverage of transnational parliamentary administrations in different regions around the globe and includes a number of cross cutting chapters addressing key issues of relevance for a better understanding of parliamentary administrations such as the potential for politicisation professionalisation digitalisation or Europeanisation with the comparative analysis of different national experiences This handbook will enable readers to better comprehend the role and influence of parliamentary administrations and in doing so will enhance our understanding of their importance for the effective functioning of representative democracy more generally The Routledge Handbook of Parliamentary Administrations constitutes a unique tool and prime reference for any researcher scholar or practitioner working in the area of parliamentary and legislative studies governance democracy public policy and administration as well as more widely to European studies general political science and comparative politics Chapters 1 2 and 4 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
