Bruce Springsteen Square Wall:

The Golden Season Madeline Kay Sneed, 2022-05-31 How do you love a place that doesn't love you back Emmy Quinn is West Texas through and through her roots run deep in the sleepy small town of Steinbeck where God sees all and football is king She loves her community but she knows that when she comes out as a lesbian she may not be able to call Steinbeck which is steeped in the Southern Baptist tradition home anymore After a disastrous conversation with her dad Emmy meets Cameron a charismatic whip smart grad student from Massachusetts who hates everything Texas But Texas is in Emmy's blood Can she build a future with a woman who can't accept the things that make Emmy who she is Steve Quinn has just been offered his dream job as head coach of the struggling high school football team the Steinbeck Stangs The board thinks he can win them a state championship for the first time but they tell him he can't accept the position if he's got any skeletons in his closet Steve is still wrestling with Emmy's coming out he loves his daughter but he's a man of faith raised in the Baptist community How can God ask him to choose between his dreams and his own daughter This lush gorgeously written debut is a love letter to the places we call home and asks how we grapple with a complicated love for people and places that might not love us back at least not for who we really are *The Golden Season* is a powerful examination of faith queerness and the deep seated bonds of family and heralds the arrival of a striking new voice in fiction Don't miss Madeline Kay Sneed's next riveting novel *Today Tonight Forever* where one wedding weekend results in a dramatic reunion with layers of love grief and moving on
