disavow and compel behaviors that are lucrative precisely because they are misaligned with humane values Yet this horrific play of mirrors is not inevitable By attending to the ghosts of colonialism unleashed by media companies through the approach developed in this book it is still possible to galvanize the collective will to combat data colonialism and strive to create a world where love disentangled from colonial modes of desire is possible This study will interest scholars attempting to understand the rapidly evolving ecology of dating apps within the areas of digital media media sociology cultural studies anthropology and media and communication studies Buddhism and the Coronavirus Jeaneane Fowler,2021-01-07 This book examines the early teachings of Buddhism associated with the life of the Buddha Siddhatta Gotama In these teachings the Buddha put forward his famous Four Noble Truths concerning the nature of suffering its causes the Truth that it can be overcome and a pathway to end suffering The suffering experienced in the contemporary coronavirus pandemic may seem to be very distant from the Buddhas message delivered over two thousand years ago but the teaching of the Four Noble Truths is as relevant today as it was all that time ago So this book melds the two occasionally with discrete treatment of past and present but ever cognizant of the ways in which the teachings of the past inform the present crisis To understand coronaviruses the book examines the nature of viruses their origins causes and the ways in which they are both friends and enemies of humankind Importantly and crucially the book investigates how far humanity itself is the cause of its own suffering in the pandemics that arise no less in the coronaviruses that have emerged in the twenty first century Chapters include The Buddha Viruses Friends and Enemies The Noble Truth of Suffering The Second Noble Truth of the Cause of Suffering The Third Noble Truth of the Cessation of Suffering The Fourth Noble Truth The Noble Eightfold Path The Noble Eightfold Path Mindfulness and Concentration The Brahma vihara Love Compassion Sympathetic Joy Equanimity
