Resources in Education, 1999-04 [Literature for Young Adults](#) Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating

about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading **Research in Education** ,1969 Bowker's Complete Video Directory 2001 ,2001 **Bowker's Complete Video Directory** ,2000 *Handbook of Research on Teaching the English Language Arts* Diane Lapp,Douglas Fisher,2011-01-18 Now in its third edition the Handbook of Research on Teaching the English Language Arts sponsored by the International Reading Association and the National Council of Teachers of English offers an integrated perspective on the teaching of the English language arts and a comprehensive overview of research in the field Prominent scholars researchers and professional leaders provide historical and theoretical perspectives about teaching the language arts focus on bodies of research that influence decision making within the teaching of the language arts explore the environments for language arts teaching reflect on methods and materials for instruction Reflecting important recent developments in the field the Third Edition is restructured updated and includes many new contributors More emphasis is given in this edition to the learner multiple texts learning and sharing one s knowledge A Companion Website new for this edition provides PowerPoint slides highlighting the main points of each chapter *Forthcoming Books* Rose Arny,2004 **Resources in Education** ,1997
