Looking for Love Larisa Sainz-Yaksic, 2020-02-03 Everyone needs love true unconditional love But what if you have known nothing but bullying rejection mental physical abuse including sexual abuse self mutilation despair and utter hopelessness And what if you feel that you are not worthy of love and blame yourself for all the ills that have befallen you Is true love attainable Based on real events Looking for Love is the story about Danielle a solitary suicidal teenager who battles constant and incessant abuse She lives a life in pursuit of love craving just a scintilla of affection from her parents and the gentle touch of her mother

Transferring from one school to another she is always the outcast where no one even talks to her Almost everyone can point to an event in their lives that changed them forever If only Danielle would have known about a certain thing in elementary school her life would have taken a totally different direction But not knowing that one thing led to more bullying and further

crushed her already fragile emotional state When you have no friends when no one talks to you or even acknowledges your presence when your father ignores you when you re the product of a mixed marriage and your racist mother berates you and detests your mere existence because you are the wrong skin color when you can t trust anyone and when you even question your sexual identity what do you do Is there an escape from bullying abuse despair rejection and utter hopelessness Looking for Love is about hope resiliency and the quest for true love [Take It from Here](#) Sonya Friedman,2005-01-01 Smart Cookies and Men are Just Desserts were New York Times bestsellers Now author Friedman the star of CNN s Sonya Live continues her journey of the smart self [Growing Up with a Schizophrenic Mother](#) Margaret J.
