Memorial Stones Geni-Deck Jones, 2021-04-12 This book is entitled Memorial Stones because it is about remembering what God has done to and provided for my family as we followed His plan for our lives In the Bible I saw a chapter where the Israelites were finally able to live in the land promised to their forefathers many years before As they crossed the river each tribe was supposed to pick up a rock Then when they arrived on the land on the other side they built a memorial place to remember all that God has done in their lives I wanted this imagery to have impact on this book It really is filled with memories of my family life over the years When I was growing up my mom would invite people missionaries and preachers to come to our house and they would share all their experiences with us in story form As we live we see the places where God s answer comes through for us and I began to repeat these stories They were awesome to me to see them They became stones of memory for me to repeat They showed me the places where God was taking care of us in the different events in our lives The stories I chose were the ones that stayed the longest There are always things we remember when the whole family comes together Do you remember when These are events inside the family My parents are not with us here anymore but I wanted to share my stories to those who might be encouraged by the events we have been through in our own lives My grandchildren love stories so they can read this book and see all the stories in their grandparents lives My faith is life within me I do what I see is the right thing to do I followed the Lord in good and bad experiences I knew He is there Sometimes I couldn t see him but I trusted him because I knew that he said he would never leave me or abandon me
