

Beowulf: Study Guide - Answers

Section 1:

1. How is a young prince supposed to act? Why?

A young prince is supposed to be practical and be extremely giving during his father's lifetime so that his people will accept him later and stand by him after his father dies. (2-3).

2. What is the monster disrupting peace? Where did it come from?

Grendel is disrupting the peace in Denmark. It came from Cain's clan. They were outlawed when Cain killed his brother Abel. This curse created evil phantoms and monsters, including Grendel (4).

3. How is Hygelac's throne described? What does this create you to infer about him?

He is considered the most powerful man on earth who is very dear to his subjects. (11).

4. What is Hygelac's theme?

Beowulf (25).

5. What causes Hrothgar to eventually grant Beowulf a reply/visit offer?

The men are and appear to be well born and of high regard. Hrothgar also knew Beowulf when he was a boy (27).

6. How does Beowulf plan to defeat Grendel?

He plans to defeat Grendel in a single battle because he believes he is a formidable match for Grendel (29).

7. What does Beowulf declare that Grendel will do if he wins?

Grendel will carry Beowulf away into the ground-mangled and bloodied. Therefore, Beowulf did know that there is no need to lay out his body formally if he is defeated by Grendel in battle (33).

8. Why doesn't Unferth want Beowulf to be at the great hall?

He believes that Beowulf possesses great vanity and is too prideful. He believes that Beowulf participated in battles and competitions, such as the sea-fest merely to prove that he can win. He does not believe that Beowulf can defeat Grendel (35-37).

9. How does Beowulf respond to Unferth?

Beowulf corrects Unferth's recall of the story of the sea-fest. He also tells Unferth that Unferth is not as courageous as he believes he is (40-42).
