Breaking Free True Stories Of Girls Who Escaped Modern Slavery:

Breaking Free Abby Sher, 2014 Award winning author Abby Sher tells the riveting story of three survivors of sexual slavery. These three women could easily have been voiceless victims lost to the horrors of their own histories. Instead of running from their pasts, they choose to help those still caught in the system. It sends the powerful message that even in the most tragic circumstances, the unwavering hope and compassion of the human spirit can and will shine through. Teens, young adults, or anyone interested in the fight to end trafficking will find *Breaking Free* to be remarkable, timely, and incredibly inspiring. **COVER** *Breaking Free* Abby Sher, 2014-06-01 *Breaking Free: True Stories of Girls Who Escaped Modern Slavery* by award-winning author Abby Sher explores the global issue of human sex trafficking from a survivor's point of view. It recounts the harrowing stories of three courageous women: Somaly Mam, Minh Dang, and Maria Suarez, who were all forced into sexual slavery as children. After escaping their captors, these three women could easily have become voiceless victims lost to the horrors of their own histories. Instead, they have each become leading advocates and activists in the anti-trafficking movement. With help from Somaly, Maria, Minh, and many other survivors and counselors, Sher tells the riveting story of what it means to be liberated from sexual trafficking and find the trust and conviction to help educate new survivors. Told with breath-taking honesty and simplicity, *Breaking Free: True Stories of Girls Who Escaped Modern Slavery* sends the message that even in the most tragic circumstances, the unwavering hope and compassion of the human spirit can and will shine through. **Human Trafficking** Lita Sorensen, 2019-12-15 According to UNICEF, human trafficking generates a staggering 32 billion dollars in profits each year. Human trafficking takes place all around the world, affecting nearly every country, rich and poor. Women, girls, and migrants are extremely vulnerable to traffickers who coerce them into sexual exploitation and forced labor. How can the international community allow such terrible criminal networks to flourish? This informative volume offers a diverse array of case studies, first-person accounts, and analyses from experts in the field to provide a full picture of what has been called a pandemic of the twenty-first century. *Things We Haven't Said* Erin Moulton, 2024-05-07 A powerful collection of poems, essays, letters, and interviews written by a diverse group of adults who survived sexual violence as children and adolescents. This anthology is a valuable resource to help teens upend stigma and create a better future. *The Book Bible* Susan Shapiro, 2022-02-01 A brilliant, buoyant guide to publishing your book. Hundreds of thousands of books come out every year worldwide. So why not yours? In *The Book Bible*, New York Times bestseller and wildly popular Manhattan writing professor Susan Shapiro reveals the best and fastest ways to break into a mainstream publishing house. Unlike most writing manuals that stick to only one genre, Shapiro maps out the rules of all the sought-after, sellable categories: novels, memoirs, biography, how-to, essay collections, anthologies, humor, mystery, crime, poetry, picture books, young adult, and middle-grade fiction and nonfiction. Shapiro once worried that selling 16 books in varied sub-sections made her a literary dabbler. Yet, after helping her students publish many award-winning bestsellers on all shelves of the bookstore, she realized that her

versatility had a huge upside She could explain from personal experience the differences in making each kind of book as well as ways to find the right genre for every project and how to craft a winning proposal or great cover letter to get a top agent and book editor to say yes This valuable guide will teach both new and experienced scribes how to attain their dream of becoming a successful author
