Breaking The Bamboo Ceiling Career Strategies For Asians:

Breaking the Bamboo Ceiling Jane Hyun, 2009-10-06 An essential career guide for every Asian American and all their co-workers and managers that explains how traditional Asian cultural values are at odds with Western corporate culture. Leading Asian American career coach and advocate Jane Hyun explains that the lack of Asian Americans in executive suite positions is brought about by a combination of Asian cultures and traditions strait jacketing Asian Americans in the workplace and how the group's lack of vocal affirmation in popular media and culture afflicts them with a perpetual foreigner syndrome in the eyes of Americans who don't know enough to understand the challenges placed on Asian Americans in the corporate environment. Filled with anecdotes and case studies from her own consulting experience covering the gamut of Asian Americans from various backgrounds, the book discusses how being Asian affects the way they interact with colleagues, managers, and clients and will offer advice and real-world solutions while exposing the challenges encountered. For the Asian reader, the book will help them to see the cultural barriers they subconsciously place in their own career paths and how to overcome them. For the non-Asian reader, the book serves as a primer for promoting optimal working relationships with Asians and will help start a dialogue that will benefit all. *Breaking the Bamboo Ceiling* Jane Hyun, 2005

Breaking the Bamboo Ceiling - KOREAN TRANSLATION Jane Hyun, 2012-09-30 **Leadership Toolkit for Asians** Jane Hyun, 2024-04-30 A timely sequel with breakthrough strategies from Jane Hyun, the author of *Breaking the Bamboo Ceiling*, to help Asian Americans build their leadership and influence skills by embracing their cultural strengths and mapping an achievable career path. How can Asian Americans lead and influence in a way that feels culturally authentic? 19 years after her groundbreaking book, global leadership strategist Jane Hyun unveils *Leadership Toolkit for Asians*, a guide for Asian Americans to build their capacity to lead and influence with a blueprint that is achievable and culturally relevant. Asian Americans are the least likely demographic to be promoted or to have a mentor or sponsor; they make up 13% of the professional workforce but less than 3% of executive positions. This dynamic hurts everyone, and the solution calls us to embrace our unique perspectives while organizations create a more fertile environment for growing Asian talent. This toolkit, based on Hyun's work with thousands of leaders, is filled with self-assessments, checklists, quizzes, and stories of Asian American leaders to help you put ideas into action. It will show you how to leverage your life experiences to craft a bespoke leadership journey. Assess: Identify your goals, cultural values, and assets. Equip: Navigate effectively with people who are different from you. Push back against stereotypes, strengthen your networks, apply a developmental model to help you get there. Transform: Create your own model and engage advocates as you put it into practice. **Leadership Toolkit for Asians** Jane Hyun, 2024-04-30 A timely sequel with breakthrough strategies from Jane Hyun, the author of *Breaking the Bamboo Ceiling*, to help Asian Americans build their leadership and influence skills by embracing their cultural strengths and mapping an achievable career path.
