### **Breaking The Cycle A Barrel Child Story:**

**Breaking the Cycle** Pamela K. Marshall, 2014-03-31 Will and Sara traversed the obstacles of young love further complicated by distance parenthood and infidelity They set aside the immature ideals and attitudes that led to strife and heartache throughout their teenage romance and have grown to learn that love takes conscious effort to endure Now settled into a life together old and new acquaintances threaten to wreck the happy home they have built Misunderstandings construed as betrayals mistakes with life changing consequences and a tragedy that threatens to bring till death do us part closer to home than ever imagined will either strengthen or shatter the bond Will and Sara have shared since they were children in Jamaica Will and Sara must decide when love starts to hurt should it still be clung to should it still hold two people together Breaking The Cycle follows the couple s path to overcome the lingering effects of being barrel children as issues of abandonment and commitment continue to test their relationship As they come to terms with their issues can they still find happiness in each other s arms or will they find it best to part ways and let another mend their hearts **Crime**

**and Criminality** Sandie Taylor, 2015-12-22 The question of why and how certain individuals are drawn towards behaving in a way that contravenes the Law of the Land is not an easy one to address Researchers from various different fields have nevertheless attempted to develop theoretical explanations for the existence of different types of crime and why some individuals commit such acts Crime and Criminality draws on criminology sociology psychology and neuroscience to offer a balanced perspective of crime the criminal and criminality Coverage includes a comprehensive discussion of theoretical approaches to criminal behaviour including biological social and rational choice approaches an analysis of legal and social definitions of crime and how these definitions influence the way specific behaviours are labelled as criminal an examination of different types of crime and criminals from delinquents to psychopaths and sex offenders an exploration of different ways in which crime is predicted including risk assessment and offender profiling and an overview of investigative techniques Addressing a broad range of topics and offering a synthesis of competing theoretical explanations of criminality this book is essential reading for students taking courses in criminology criminal psychology criminal behaviour forensic psychology and psychological criminology

**Sex Offenders: Punish, Help, Change or Control?** Jo Brayford, Francis Cowe, John Deering, 2013-05-07 Sex offending and in particular child sex offending is a complex area for policy makers theorists and practitioners A focus on punishment has reinforced sex offending as a problem that is essentially other to society and discourages engagement with the real scale and scope of sexual offending in the UK This book looks at the growth of work with sex offenders questioning assumptions about the range and types of such offenders and what effective responses to these might be Divided into four sections this book sets out the growth of a broad legislative context and the emergence of child sexual offenders in criminal justice policy and practice It goes on to consider a range of offences and victim typologies arguing that work with offenders and victims is complex and can provide a rich source of theoretical and practical knowledge

that should be utilised more fully by both policy makers and practitioners It includes work on female sex offenders electronic monitoring and animal abuse as well as exploring interventions with sex offenders in three different contexts prisons communities and hostels Bringing together academic practice and policy experts the book argues that a clear but complex theoretical and policy approach is required if the risk of re offending and further victimisation is to be reduced Ultimately this book questions whether it makes sense to locate responsibility for responding to sexual offending solely within the criminal justice domain
