Breathe A Ghost Story:

Breathe Cliff McNish, 2024-11-01 Jack is not a normal boy He can talk to ghosts In his new home an aging farmhouse he meets the Ghost Mother a grief stricken spirit who becomes very attached to him too attached He learns that the Ghost Mother is preying in the cruelest imaginable way on four child ghosts who are trapped in the house stealing their energy to sustain her own Before Jack can figure out how to help them the Ghost Mother takes possession of his real mother's body Jack wants to fight back but he has severe asthma and risks fatal attacks with any physical exertion It will take all his resources and his mother's as well to fight off the Ghost Mother and save the ghost children from a horrible fate *Breathe a Ghost Story* *Troubadour* (McNish) Cliff, 2007-05-03 Breathe Kate Pullinger, 2018 Ghosts Stephen Krensky, 2008-01-01 Examines the history and folklore surrounding ghosts and discusses how they are portrayed on television in films and in literature *Digital Storytelling* Carolyn Handler Miller, 2025-05-22 *Digital Storytelling A Creator's Guide to Interactive Entertainment Volume I* fifth edition delves into the fascinating and groundbreaking stories enabled by interactive digital media examining both fictional and non-fiction narratives This fifth edition explores monumental developments particularly the emergence of generative AI and highlights exciting projects utilizing this technology Additionally it covers social media interactive documentaries immersive environments and innovative uses of video games chatbots and virtual reality Carolyn Handler Miller provides insights into storytelling essentials like character development plot structure dialogue and emotion while examining how digital media and interactivity influence these elements This book also dives into advanced topics such as narratives using AR VR and XR alongside new forms of immersive media including large screens escape rooms and theme park experiences With numerous case studies this edition illustrates the creative possibilities of digital storytelling and its applications beyond entertainment such as education training information and promotion Interviews with industry leaders further enhance the understanding of this evolving universe making it a valuable resource for both professionals and enthusiasts Key Features This book includes up to the minute developments in digital storytelling It offers case studies of noteworthy examples of digital storytelling It includes a glossary clearly defining new or difficult terms Each chapter opens with several thought provoking questions about the chapter's topic Each chapter concludes with several creative and engaging exercises to promote the reader's understanding of the chapter's topic **Ghostwriter** Travis Thrasher, 2009-05-28 For years Dennis Shore has thrilled readers with his spooky bestselling novels Now a widower Dennis is finally alone in his house his daughter attending college out of state When he's stricken by a paralyzing case of writer's block and a looming deadline Dennis becomes desperate Against better judgment he claims someone else's writing as his own accepting undeserved accolades for the stolen work He thinks he's gotten away with it until he's greeted by a young man named Cillian Reed the true author of the stolen manuscript What begins as a minor case of harassment quickly spirals out of control As Cillian's threats escalate Dennis finds himself on the brink of losing his career his sanity and even his life The

horror he's spent years writing about has arrived on his doorstep and Dennis has nowhere to run **Ambient Literature**
Tom Abba, Jonathan Dovey, Kate Pullinger, 2020-11-30 This book considers how a combination of place based writing and location responsive technologies produce new kinds of literary experiences Building on the work done in the Ambient Literature Project 2016-2018 this book argues that these encounters constitute new literary forms in which the authored text lies at the heart of an embodied and mediated experience The visual sonic social and historic resources of place become the elements of a live and emergent mise en scene Specific techniques of narration including hallucination memory history place based writing and drama as well as reworking of traditional storytelling forms combine with the work of app and user experience design interaction software authoring and GIS geographical information systems to produce ambient experiences where the user reads a textual and sonic literary space These experiences are temporary ambiguous and unpredictable in their meaning but unlike the theatre the gallery or the cinema they take place in the everyday shared world The book explores the potentiality of a new literary form produced by the exchange between location aware cultural objects writers and readers This book and the work it explores lays the ground for a new poetics of situated writing and reading practices

Ambient Stories in Practice and Research Amy Spencer, 2024-11-14 From a range of academic and practice led perspectives this book explores how a combination of place based writing and location based technologies are producing new kinds of experimental ambient literary experience In so doing it unpacks how situated literary experiences delivered through text audio and sensor based delivery offer distinctive new forms of reading and listening and lay the ground for a new poetics of situated writing practices Exploring an experimental practice based approach to digital literary forms and its emerging poetics this book critically examines the ecology of ambient literature from a range of perspectives including researchers and practitioners working in the fields of digital writing sonics visual art performance literary studies creative writing and computer science Essays look towards the emerging field of ambient literature drawing on contributors own background and interests Contributors study topics ranging from ecological and climatic challenges through critical and creative cartographies to understanding the metaphorical work of ambient as a form embedded in the social technological and literary Including practice based essays from writers artists and practitioners on the use of data to write poetry and the position of the writer as maker this book's combination of practice led approaches and interdisciplinary research makes it a valuable and varied contribution to the field of digital writing **Gilda Joyce: The Bones of the Holy** Jennifer

Allison, 2011-06-09 When Gilda Joyce's mother announces her engagement to a man from St Augustine Florida Gilda is appalled She hasn't even given him the Joyce Family Application yet But as the wedding preparations get under way Gilda realizes she has much bigger concerns Why does her soon to be stepdad keep calling Mrs Joyce by his ex wife's name And why is Mrs Joyce acting like she's possessed With only a few short days before her mother says I do Gilda knows this much for sure it's going to take every ounce of her sleuthing skill and psychic savvy to solve this one **The Multimodal Writer**

Josie Barnard,2019-08-06 These are exciting times for creative writing In a digital age the ability to move between types of writing and technologies often at speed is increasingly essential for writers Yet such flexibility can be difficult to achieve and how to develop it remains a pressing challenge The Multimodal Writer combines theory practitioner case studies and insightful writing exercises to support writers tackling the challenges and embracing the opportunities that come with new media technologies Including interviews with a selection of internationally acclaimed authors such as Simon Armitage Robert Coover and Rhianna Pratchett this book equips writers with the tools to not just survive but rather thrive in an era characterised by fast paced change With its focus on writing across genres modes and media this book is ideal for students of creative writing professional writing media writing and journalism
