A beautiful story of love and acceptance. I loved every moment of it. 5 stars. Sebastian Montgomery rose from nothing to become one of the most powerful media moguls in the world. Yet beneath the seemingly perfect facade of his life, the past still haunts him. Because when he lost his parents in his teens, he also lost his faith in love. When he discovers Charlie Ballard and her incredible metal sculptures, he is awed, inspired, and he can't help feeling things he swore never to let himself feel again. Soon Sebastian wants not only Charlie's art; he wants her as a woman too. More than he's ever wanted anything in his life. And what a Maverick wants, he always gets. For Charlie, Sebastian offers the commission of a lifetime: creating a magnificent sculpture for his new headquarters is a dream come true, but falling for the spellbinding billionaire isn't part of the plan. Until his luscious kisses entice her into total recklessness. He fascinates and captivates her, and as Charlie learns more about the dark depths of Sebastian's past, all she wants is to heal him with her love. But can a man who has grown up thinking love is toxic ever believe that true love is real?
