Brief Coaching With Children And Young People A Solution Focused Approach:

Brief Coaching with Children and Young People Harvey Ratner, Denise Yusuf, 2015-01-09 Brief Coaching with Children and Young People A Solution Focused approach is the first book of its type to describe the thinking and practice of Solution Focused coaching with these age groups The approach empowers young people to find their own solutions in the shortest possible time focusing on where they want to get to rather than the details of the problem they are concerned about The authors emphasis on practical and straightforward techniques and materials will equip all those interested in working with and supporting young people and their families to help them achieve their hopes for the future The book is illustrated with numerous examples from the coaching practice of the authors in different settings with a particular emphasis on challenging cases As a whole it serves as a key resource for working with children and young people but each chapter can also be read individually to enhance the reader s understanding of the topic Downloadable resources are available online which enhance the practicality of the text Ratner and Yusuf have created a practical jargon free resource for all those who work with and support children young people and their families It will be invaluable for coaches therapists and counsellors as well as anyone who interacts with children and young people including social workers teachers and mentors and foster parents

The Solution Focused Approach with Children and Young People Denise Yusuf, 2020-06-14 The Solution Focused Approach with Children and Young People Current Thinking and Practice brings together leading figures and innovative practitioners from different professions contexts and countries to provide a unique overview of Solution Focused work with children and young people Presenting a range of applications in individual group and community work it puts the spotlight on diverse fields exploring how the Solution Focused approach can work in real world contexts This book showcases a powerful engaging approach which helps children and young people find the resources and strengths to manage difficulties and make the most of their lives It contains interesting case studies narrative descriptions of original practice programmes of work developed using Solution Focused principles and thought provoking discussions of key elements of practice With chapters presenting perspectives from coaching therapy consultancy and education and applications including learning assessments child protection bereavement edge of care and youth offending the book provides an overview of the current state of practice and provides pointers to potential new developments The Solution Focused Approach with Children and Young People will help both experienced practitioners and those new to the approach to develop and update their knowledge and skills as well as introducing them to creative and cutting edge tools to inspire fresh ideas and thinking It will be essential reading for Solution Focused practitioners and students as well as coaches social workers school counsellors and mental health professionals working with children and young people

Brief Coaching with Children and Young People Harvey Ratner, Denise Yusuf, 2015-01-09 Brief Coaching with Children and Young People A Solution Focused approach is the first book of its type to describe the thinking and practice of Solution Focused coaching with these age groups The approach

empowers young people to find their own solutions in the shortest possible time focusing on where they want to get to rather than the details of the problem they are concerned about The authors emphasis on practical and straightforward techniques and materials will equip all those interested in working with and supporting young people and their families to help them achieve their hopes for the future The book is illustrated with numerous examples from the coaching practice of the authors in different settings with a particular emphasis on challenging cases As a whole it serves as a key resource for working with children and young people but each chapter can also be read individually to enhance the reader s understanding of the topic Downloadable resources are available online which enhance the practicality of the text Ratner and Yusuf have created a practical jargon free resource for all those who work with and support children young people and their families It will be invaluable for coaches therapists and counsellors as well as anyone who interacts with children and young people including social workers teachers and mentors and foster parents

Solution Focused Brief Therapy with Children and Young People who Stammer and their Parents Ali Berquez, Martha Jeffery, 2024-04-23 This book offers speech and language therapists and other allied health professionals a practical resource for working in a distinctive way with children and young people and their parents to achieve their best hopes from therapy The authors share a wealth of knowledge and experience from the Michael Palin Centre for Stammering about how they use Solution Focused Brief Therapy to enhance their practice This resource manual Provides a step by step guide to starting solution focused conversations having follow up meetings drawing attention to what s working and ending well Illustrates work with a broad range of clients who stammer including clients with additional physical learning and emotional needs Demonstrates the benefits of working systemically with children and young people and their parents or carers Supports therapists to develop skills in working collaboratively with clients on what they want to achieve from therapy Gives examples of how to ask helpful questions and have hope filled conversations Considers the benefits and challenges of working in a solution focused way Describes how to adapt solution focused conversations according to the client s age and stage Presents a range of applications of SFBT including in groups and in clinical supervision The manual is illustrated by a rich variety of case examples which brings the material to life and enables the reader to apply the principles to their own setting It is an essential practical resource for therapists hoping to develop their skills in empowering parents and in supporting children and young people towards living their best life

Solution Focused Practice in Schools Yasmin Ajmal, Harvey Ratner, 2019-10-31 Solution Focused Practice is a change focused approach to enabling people of all ages to make progress in their lives by emphasising what is wanted in the future amplifying successes and highlighting the capacities and skills available to support progress Grounded in the reality of the day to day challenges of school life Solution Focused Practice in Schools 80 Ideas and Strategies offers dynamic practical down to earth and jargon free applications of the Solution Focused SF approach that can create energy and movement in even the toughest of situations From working with individuals to considering organisational developments this book explores

the SF approach using numerous examples and sample questions that can be adapted for any situation and whether the time available is long or short The reader will gain ideas about how to move beyond don't know responses in individual discussions with students to create dialogues where difference and change can occur invite classes into constructive conversations about building the classroom environment that brings out the best in students whether there has been a concern or not address key issues such as confidence motivation resilience and dealing with setbacks build detail around potential and effective futures in coaching consultations and meetings support the development of policies and procedures at an organisational level support solution based conversations using play role play video and other creative techniques This book is an excellent resource for managers teachers SENCOs mentors counsellors coaches psychologists social workers and all those who work in a supportive capacity in schools to promote the learning and well being of both students and staff *Solution-Focused Applied Psychology* Louis Cauffman, Mathieu Weggeman, 2023-09-15 This book presents a research based solution focused applied psychology approach SoFAP P that is efficient and effective in helping clients address challenges and can be applied to a wide range of psychological domains Lessons learned from preceding psychological models including psychoanalysis behavioral therapy humanistic psychology family systems therapy and the pioneering contributions of Milton Erickson and the groundbreaking solution focused therapy of Steve de Shazer and Insoo Kim Berg culminate in this innovative SoFAP P approach Based on a thorough analysis of many solution focused case studies this tested and validated scientifically based protocol can be used as a learning guide to better understand the SoFAP P as well as the innovative qualitative methodology used to validate it Cauffman and Weggeman show how this design science research DSR methodology is used to design test and validate a generic set of actions that yield interventions to effectively apply to solution focused client cases The book demonstrates the importance of SoFAP P to both psychological science and society and offers a glimpse into its growing potential as an intervention model Those interested in the field of DSR will benefit from the overview of one of the first applications of DSR methodology in the psychological sciences as well as students and academics in applied psychology

Intentional Responsive Adult Practices: Supporting Kids to Not Only Overcome Adversity but to Thrive Erik K Laursen, PhD, 2018-07-12 This book draws on positive psychology as well as strengths based and solution focused practices to empower adults to help children instead of reacting to their behavior Erik K Laursen PhD who has spent his career helping high risk children and their families identifies ten intentional responsive adult practices to give children the tools they need to overcome adversity Learn how to support young people to grow and develop throughout childhood adolescence into young adulthood provide supportive relationships where children and young people thrive and help children overcome social and emotional problems that are significant barriers to well being While numerous books articles and courses focus on the long term effects of childhood trauma this knowledge alone does not give us the tools we need to help children thrive By learning how to reflect and intentionally respond to children's pain which is the focus of this book you'll be able to help young people

FAQs About Brief Coaching With Children And Young People A Solution Focused Approach Books

What is a Brief Coaching With Children And Young People A Solution Focused Approach PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Brief Coaching With Children And Young People A Solution Focused Approach PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Brief Coaching With Children And Young People A Solution Focused Approach PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Brief Coaching With Children And Young People A Solution Focused Approach PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Brief Coaching With Children And Young People A Solution Focused Approach PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression

reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
