LEISLEY M. LANTRAM

Beyond Silent Cadence As The Baffling Beat Goes On

Bob Rusch

Beyond Silent Cadence As The Baffling Beat Goes On:

Beyond Silent Cadence Leisley M. Lantram, 2014-07-29 In the spring of 1980 Christa Fonteneau has reached a breaking point. A stay-at-home mother transplanted from Nashville to Houston by the promotion of her husband Damon, she is entirely dependent on him for interaction with the world outside her home. Their two daughters are now school age and Christa is left at home alone with her anxieties created by their troubled marriage. Damon is out all hours of the night and when he's home he is violent. Christa decides it is time to make a change. She sees a way out through renewing her teaching certificate and finding a job. Meanwhile she struggles to keep the abusive behavior of her husband a secret, maintaining the facade of a happy family for years. Although she longs to escape from Damon, that desire is held in check by her deep insecurity. Can she find the strength to leave behind the life she knows for a world that she also fears? This suspenseful novel details the experiences of one woman who, after years of hiding her guilt and shame behind closed doors, fights to find her way out and back to herself. I highly recommend *Beyond Silent Cadence*, an emotional narrative that reveals one person's venture through trauma and joy. This unfolding story exposes relationship patterns of vulnerability that are universal. Leisley Lantram will clearly make a difference with this intriguing suspenseful tale. Judith Martin, M.Ed., Education Specialist, Clinton MS

French Musical Culture and the Coming of Sound Cinema Hannah Lewis, 2018-09-05 The transition from silent to synchronized sound film was one of the most dramatic transformations in cinema's history as it radically changed the technology, practices, and aesthetics of filmmaking within a few short years. In France, debates about sound cinema were fierce and widespread. In *French Musical Culture and the Coming of Sound Cinema*, author Hannah Lewis argues that the debates about sound film resonated deeply within French musical culture of the early 1930s and conversely that discourses surrounding a range of French musical styles and genres shaped audiovisual cinematic experiments during the transition to sound. Lewis's book focuses on many of the most prominent directors and screenwriters of the period, from Luis Buñuel to Jean Vigo, as well as experiments found in lesser-known films. Additionally, Lewis examines how early sound film portrayed the diverse soundscape of early 1930s France as filmmakers drew from the music hall, popular chanson, modernist composition, opera, and operetta and explored the importance of musical machines to depict and to shape French audiovisual culture. In this light, the author discusses the contributions of well-known composers for film alongside more popular music hall styles, all of which had a voice within the heterogeneous soundtrack of French sound cinema. By delving into this fascinating developmental period of French cinematic history, Lewis encourages readers to challenge commonly held assumptions about how genres, media, and artistic forms relate to one another and how these relationships are renegotiated during moments of technological change.

"A" Standard Dictionary of the English Language Upon Original Plans Isaac Kaufman Funk, 1893 [Reading William Faulkner: 'Go Down, Moses' & 'Big Woods'](#) John Lennard, 2012-01-01 Faulkner is notoriously a difficult writer to study, especially for first-time readers. This *Literature Insight* begins with three chapters clearly setting out the important

facts of his life mapping the people and history of his recurrent fictional setting Yoknapatawpha County and analysing the oddities and problems of his prose style Later chapters turn directly to his great novel Go Down Moses and his later collection Big Woods dealing in detail with each story and the intertexts and showing how they connect and add up to something much more than loose collections Readers new to Faulkner will find it a very helpful introduction to his world and those already familiar with him a valuable resource
