### **Breathing Room Letting Go So You Can Fully Live:**

*Breathing Room* Leeana Tankersley, 2014-09-30 Leeana Tankersley like so many of us began to feel overwhelmed by life And like so many of us she assumed she was struggling not because life is inherently difficult but because she was personally failing in some way She knows firsthand what it is to bully yourself to put yourself down for not being able to keep it all together to compare yourself to others and find yourself lacking But she s also discovered that all of the hurt and hostility and pain only add up to a life of holding your breath What if we could exhale and let go *Breathing Room* is her beautiful release of self condemnation her discovery of the rest that comes when we give ourselves some space to breathe She draws readers in through shared experiences of perfectionism jealousy and striving and shows them how to let go how to be radically on their own team and how to experience the broad grace that Christ has offered all of us Anyone who has been trying to do it all who has been putting on a strong front and yet secretly struggling will find in *Breathing Room* both a trusted friend and a generous Savior

Nines are motivated by peace or inner stability and often go with the flow to keep the peace. The sixty days are split into six 10 day topics that include uniqueness, weakness, strength, pain points, and where Nines go in times of stress and growth. *The Guardian* Elisabeth Bennett, 2021-03-16. The Enneagram is an ancient personality typology using nine points within a circle to represent nine distinct personality types. This sixty day devotional is for the Guardian, number 6 of the Enneagram personality types. This book will help Guardians and those who love them better understand how God created them and how best to use their unique gifts to serve Him and love others. It features a full explanation of what the Enneagram is and how it benefits people, followed by a full description of what it means to be a 6, including the Guardian's deadly sin and their greatest strength. Some attributes of the Guardian: Motivation: Security, physical safety, having a supportive community, and maintaining the status quo. Biggest Fear: Sixes fear being without support or guidance. This they fear might lead to them making horrible life altering decisions and choices. Head Triad: Sixes, along with Fives and Sevens, receive all information as something that needs to be thought over and analyzed before they can trust their feelings or gut to process it. This is the most pronounced in Sixes as they take information in as something to analyze and then analyze their own conclusion. The sixty days of this devotional are split into six 10 day topics that include uniqueness, weakness, strength, pain points, and how Guardians react in times of stress and growth.

**The Achiever** Elisabeth Bennett, 2021-10-26. The Enneagram is an ancient personality typology using nine points within a circle to represent nine distinct personality types. This sixty day devotional is for Enneagram Three, known as the Achiever. This book will help Threes and those who love them better understand how God created them and how best to use their unique gifts to serve Him and love others. It features an explanation of what the Enneagram is, how it benefits people, and a full description of what it means to be a Three, including the Achiever's deadly sin and their greatest strength. Some attributes of the Achiever: Motivation: Worth to be admired and praised for their achievements while adding genuine value to the world. Biggest Fear: Being worthless, a failure, or others finding their efforts lacking. Heart Triad: Along with Twos and Fours, Threes are part of the Heart triad. This means they first process information as feelings before moving on to thinking or doing. Actions from others tend to feel very personal as information is first processed as feeling before it can be thought through logically. The sixty days of this devotional are split into six ten day topics that include uniqueness, weakness, strength, pain points, and how Achievers react in times of stress and growth.

**Brazen** Leeana Tankersley, 2016-03-29. There are so many moments in life when we choose to silence our intuition, abandon our own voice, and play small because we wonder deep down, "Do I know who I really am? Is who I really am enough?" It is courageous work to learn to live from our essential identity, loved, worthy, whole. But what if God is calling us to shamelessly recover the woman He created us to be? What if God is urging us to be for the first time in our lives, brazen? The word brazen means without shame. Leeana Tankersley wants women to be just that, to unapologetically move from shame and fear based living toward lives that are based on love and belonging. With moving personal stories and spot on observations of the

longings we all experience to know we are loved to feel comfortable in our own skin to be heard Tankersley calls women to honor that voice deep down inside of them rather than bowing to outside influences that push them to become someone they're not Gritty and overflowing with grace Brazen will set women free to be truly themselves in a world bent on molding them in its image
