Androcles and the Lion Bernard Shaw,2012-01-18 The question seems a hopeless one after 2000 years of resolute adherence to the old cry of Not this man but Barabbas Yet it is beginning to look as if Barabbas was a failure in spite of his strong right hand his victories his empires his millions of money and his moralities and churches and political constitutions This man has not been a failure yet for nobody has ever been sane enough to try his way But he has had one quaint triumph Barabbas has stolen his name and taken his cross as a standard There is a sort of compliment in that There is even a sort of loyalty in it like that of the brigand who breaks every law and yet claims to be a patriotic subject of the king who makes them We have always had a curious feeling that though we crucified Christ on a stick he somehow managed to get hold of the right end of it and that if we were better men we might try his plan There have been one or two grotesque attempts at it by inadequate people such as the Kingdom of God in Munster which was ended by crucifixion so much more atrocious than the one on Calvary that the bishop who took the part of Annas went home and died of horror But responsible people have never made such attempts The moneyed respectable capable world has been steadily anti Christian and Barabbasque since the crucifixion and the specific doctrine of Jesus has not in all that time been put into political or general social practice I am no more a Christian than Pilate was or you gentle reader and yet like Pilate I greatly prefer Jesus to Annas and Caiaphas and I am ready to admit that after contemplating the world and human nature for nearly sixty years I see no way out of the world s misery but the way which would have been found by Christ s will if he had undertaken the work of a modern practical
