Animal Souls Speak Explorer Race Series 13:

Animal Souls Speak Robert Shapiro, 2007-06-01 The animal world will speak if you prefer through elders This has certain advantages since that way they can include knowledge and wisdom to a degree not to a vast degree but to a degree about their home planets Grandfather Each animal brings a wondrous gift to share with humanity enjoy it Welcome to the footsteps of the loving beings who support you who wish to reveal more about themselves to you and who welcome you not only to planet Earth but more specifically to the pathway of selfdiscovery Take note as you read this book of what resonates what stimulates your own memories Use it to inspire you to encourage you to support you along your path toward inevitable self discovery and ultimately to support self discovery in others that results in revealing the true and most benevolent heart of all beings Good life Creator s Emissary *Plant Souls Speak* Robert Shapiro, 2011-08-01 Plant Energies Available to You Live Plant 100% Dead Plant 10% What we intend to speak about in this book if I may speak in general for all plants is how you as the human species can interact with plants in a more benevolent way For a long time you have been clear about the medicinal uses of leaves and stems and seeds and flower petals and so on but you are only getting about one tenth of the energy available to you in this way It is always better to interact with the plant and its energies in its live form but you need to know how The intention of this book is to reveal that formula so that you can stop searching for magical cures to diseases by exhausting the supply of life forms around you A much simpler process is available This book will not just comment on things you know about but show you what you are missing in your interaction with plants Dandelion In this book the plant world will speak through elders This has certain advantages allowing them to include knowledge and wisdom about their home planets In this way you will learn some of the old wisdom again shared so that you can discover how to interact with the plants while they are alive while they are a portion of the Creator of All Things With this you will learn the beginnings the reminders and for many of you the fulfillment of the transformation of that which does not work in your body in your life in your community and in your world the transformation of what you call dis ease or disharmony into harmony and ease Zoosh Isis and Grandfather Each plant brings a wondrous gift to share with humanity enjoy it *The Explorer Race and Isis* Robert Shapiro, 1999-03-01 This is an amazing book It has priestess training Shamanic training Isis adventures with Explorer Race beings before Earth and on Earth and an incredibly expanded explanation of the dynamics of the Explorer Race Isis is the prototypical loving nurturing guiding feminine being the focus of feminine energy She has the ability to expand limited thinking without making people with limited beliefs feel uncomfortable She is a fantastic storyteller and all of her stories are teaching stories If you care about who you are why you are here where you are going and what life is all about pick up this book You won t lay it down until the last page has been turned and even then you will want more **Explorer Race and Beyond** Robert Shapiro, 2012-07-01 In our continuing exploration of how creation works we talk to Creator of Pure Feelings and Thoughts the Liquid Domain the Double Diamond Portal and the other 93 percent of the Explorer Race We revisit the

Friends of the Creator to discuss their origin and how they see the beyond we finally reach the roots of the Explorer Race us and find we are from a different source than our Creator and have a different goal and we end up talking to All That Is
