Animals In Spirit Our Faithful Companions Transition To The Afterlife Paperback:

Animals in Spirit Penelope Smith, 2008-01-08 From a pioneer in the field of interspecies communication for more than forty years Penelope Smith's *Animals in Spirit* teaches you how to release the feelings of loss and separation that follow the death of a beloved pet and instead stay connected to your pet before, during and after they cross over the rainbow bridge. Losing an animal companion can be a painful experience yet by examining their transition from a spiritual perspective *Animals in Spirit* explores the process of dying from the viewpoints of both pets and their people. Learn how animals choose their paths in each life and the knowledge they leave behind for their human families. As animals make their way from the physical into the spiritual realm *Animals in Spirit* can strengthen the union with our beloved friends by teaching us to accept and understand the full experience of the cycle of life. Our dear pets and companions may be gone from this world but there is comfort to be had in the knowledge that we can still commune with them and that this is not really goodbye. With true stories, insights from animals and their human friends as well as meditations to ease the mourning process or help you to communicate with animals in the spirit realm *Animals in Spirit* will help heal the feelings of grief and separation by connecting you to your faithful companion in spirit.
