Angels and Demons John D. Schuetze,1997 **Angels And Demons** John D Schuetze,1997-07-01 Do angels and demons exist There are so many movies books and TV shows about demons and evil spirits It s hard not to think that they re just myths fables and fairy tales As Christians we know that angels and demons are real not from firsthand accounts but because God tells us about them in the Bible Witness the conflict that s been a part of the universe since creation itself It s a classic battle of good versus evil in which Jesus comes in humility but leaves in glory Through Angels and Demons you will learn more about the occult spiritism demon possession and Satanism as well as some of the dangerous games people play with the devil and how you can avoid those pitfalls The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors of The People s Bible are all pastors and professors who have had years of experience teaching others about the Bible

2000 Demons E. Allen Sorum,2016-01-01 Do demons exist Step into a world where deadly demons and evil spirits roam the land No this book doesn t take place in a fictional fantastical realm It takes place in our world and it actually happened The Bible makes it clear that demons not only exist but also want to cause you and other Christians spiritual harm Your enemy the devil prowls around like a roaring lion looking for someone to devour 1 Peter 5 8 In E Allen Sorum s 2000 Demons you ll examine the riveting biblical account of Jesus driving out demons from a person possessed and suffering You ll see the very real danger of demons and evil spirits both then and today but you ll also see the power that your Savior Jesus wields over the darkest of foes Demons exist but they re no match for your Savior Most importantly through this book you will be reassured of the ultimate protection that Jesus won for you and all who believe thanks to his death and resurrection Here s what people are saying about 2000 Demons A very valuable work It is a beautiful devotional that a Christian can use in all times of trial and struggle Definitely an eye opener Professor Gaylin R Schmeling President of Bethany Lutheran Theological Seminary Relatively brief but captivating A perceptive investigation Ideal for an older youth or adult Bible study group Easy engaging style as if the author is speaking directly to his readers as he insightfully leads them through many different scenarios and situations Dr Ernst R Wendland Lusaka Lutheran Seminary Zambia It s about time Our Western culture has shrugged at and belittled this topic for too long This book helped me measure and reassess our family s alertness to demons and Satan s deceiving ways Amanda Rose Founder of holyhenhouse com wife and mother of three
