Angels Don't Play this HAARP Nick Begich, Jeane Manning, 2002 The U S Government has a new ground based Star Wars weapon which is being tested in the remote bush country of Alaska This new system manipulates the environment which can Disrupt human mental processes Jam all global communications systems Change weather patterns over large areas Interfere with wildlife migration patterns Negatively affect your health Unnaturally impact the Earth's upper atmosphere The U S military calls its zapper HAARP High frequency Active Auroral Research Project But this skybuster is not about the Northern Lights This device will turn on lights never intended to be artificially manipulated Their first target is the electrojet a river of electricity that flows thousands of miles through the sky and down into the polar icecap The electrojet will become a vibrating artificial antenna for sending electromagnetic radiation raining down on the earth The U S military can then X ray the earth and talk to submarines But there's much more they can do with HAARP This book reveals surprises from secret meetings Back cover *Angels Don't Play this HAARP* Nick Begich, 1995

Chemtrails, HAARP, and the Full Spectrum Dominance of Planet Earth Elana Freeland, 2014-05-26 We are entering a Space Age but not the kind President Kennedy originally envisioned This Space Age is replacing resource wars and redefines planet earth as a battlespace in accordance with the military doctrine of Full Spectrum Dominance This book examines how chemtrails and ionospheric heaters like the High frequency Active Auroral Research Project HAARP in Alaska services a full spectrum dominance This Revolution in Military Affairs needs an atmospheric medium to assure wireless access to the bodies and brains of anyone on Earth from heat seeking missiles to a form of mind control How sinister are these technologies Are we being prepared for a global village lockdown The recent release of NSA records have reminded Americans that eyes in the sky are tracking us as supercomputers record the phone calls e mails internet posts and even the brain frequencies of millions Elana M Freeland's startling book sifts through the confusion surrounding chemtrails versus contrails and how extreme weather is being geo engineered to enrich disaster capitalists and intimidate nations A deconstruction of Bernard J Eastlund's HAARP patent points to other covert agendas such as a global Smart Grid infrastructure that enables access to every body and brain on Earth a Transhumanist future that erases lines between human and machine and Nanobiological hybrids armed with microprocessors that infest and harm human bodies

Weather Warfare Jerry E. Smith, 2011-08-07 In April 1997 United States Secretary of Defense William Cohen declared that there are terrorists at work who are engaging even in an eco type of terrorism whereby they can alter the climate set off earthquakes volcanoes remotely through the use of electromagnetic waves Weather modification in the form of cloud seeding to increase snow packs in the Sierras or suppress hail over Kansas is now an everyday affair Hundreds of environmental and weather modifying technologies have been patented in the United States alone and hundreds more are being developed in civilian academic military and quasi military laboratories around the world at this moment This book lays bare the grim facts of who is doing it and why The earth and the sky have themselves

been turned into weapons Underground nuclear tests in Nevada have set off earthquakes A Russian company has been offering to sell typhoons on demand since the 1990s Scientists have been searching for ways to move hurricanes for over 50 years the same timeframe that took us from the Wright Brothers to Neil Armstrong In this book Jerry E Smith picks up where his 1998 book about the High frequency Active Auroral Research Program HAARP left off He reports on recent developments at HAARP including its possible connection to the crash of the Space Shuttle Columbia and what role if any it played in certain natural disasters like Hurricane Katrina Tackling the chemtrail controversy Smith examines claims that particles called aerosols are being deliberately injected into the atmosphere Edward Teller father of the hydrogen bomb proposed putting up a sun screen of aerosols to save the earth from global warming is someone actually doing it Numerous ongoing military programs do inject aerosols at high altitude for communications and surveillance operations Could these include mind control or population control applications Smith puts these technologies into context by examining the geopolitical conflicts that are driving their development from Globalization to the rise of Neo Con Neo Fascism

The Fight Against Geoengineering Andrew Calbery, 2017-07-18 Do you find it strange that some airplanes leave lines in the sky while others don't Ever heard the word chemtrails Well something is happening up there in the sky This book details the history of weather modification the dangers it has to our environment and also includes health related issues and offers advice about living with geoengineering An introduction to the many covert operations not related to climate control that will be possible should the public accept planes spraying the sky are included Read on and find out what you can do to help

The Fight Against Geoengineering

New World War Mark M. Rich, A silent war is taking place in cities all over the planet It is covered up by the media mental health system NGOs and our elected officials Now that the financial elite are finished using the US military and allied forces to conquer nations in their quest for global domination they're neutralizing individuals and groups of resisters who live among the people To do this they have recruited a major portion of the civilian population which is used as a surrogate force to persecute those who have been identified as enemies As part of the same agenda the security forces are conducting psychological operations on civilians and torturing them with directed energy weapons The entire operation is in service to some very wealthy psychopaths who rule our society as part of a global revolution intended to result in a planetary dictatorship known as the New World Order

The Return of the Serpents of Wisdom Mark Amaru Pinkham, 1997-09 According to ancient records the patriarchs and founders of the early civilisations in Egypt India China Peru Mesopotamia Britain and the Americas were colonised by the Serpents of Wisdom who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon these Serpents of Wisdom oversaw the construction of magnificent civilisations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions This book recounts the history of these Serpents and why they are returning now
