Elfangor's Secret (Animorphs Megamorphs #3) K. A. Applegate, 2018-03-27 We found out who Visser Four is And he has found the Time Matrix the machine Elfangor had hidden in the abandoned construction site The same place we met him on a night none of us will ever forget Especially me Now Visser Four has the Matrix and he plans to use it to become Visser One But Jake Rachel Cassie Marco Ax and I can't let that happen We can't let him alter time so that the Yeerks will win the invasion So we're prepared to make the ultimate sacrifice Eventually one of us will lose this fight

The Secret (Animorphs #9) K. A. Applegate, 2017-06-27 There's something pretty weird going on in the woods behind Cassie's house the place where Ax and Tobias call home It seems the Yeerks have figured out one very important fact Andalites cannot survive without a feeding ground Visser Three knows the Andalite bandits don't feed where he does so there can only be one other place Now the Animorphs have to figure out a way to stop a bogus logging operation Because if Visser Three finds Ax in the woods nothing will stop him from finding the Animorphs

The Android (Animorphs #10) K. A. Applegate, 2017-06-27 When Marco runs

into his old friend Ereka he doesn't think too much of it. He's got more important things to do like helping to save the world. But then Marco finds out Ereka's been hanging with some of the kids at the Sharing and he starts to think that something just a little weird is going on. So Marco, Jake and Ax decide to morph and check old Ereka out. Just to see if he's been infested with a Yeerk. The good news is that Ereka's not a human Controller. The bad news is that Ereka's not even human. **Visser**

(Animorphs) K. A. Applegate, 2018-03-27 Her human name is Eva. There was a time when she had a loving husband and a son, Marco. When she had a wonderful career. But that was before she was infested by Edriss 562. Before the invasion of Earth. Now Edriss 562 lives in Eva's head and controls her every movement. And through Eva, Edriss has become the highest ranking general in the Yeerk empire, surpassing even her arch rival Visser Three. She is Visser One. But it has become known that Visser One's tactics for attaining her current position were less than acceptable even to the Yeerks. Now she's on trial for treason. If she's found innocent, she'll continue to rule. But if she's found guilty, she'll lose her life and possibly the life of her host, Eva. Which will mean that Marco will never ever see his mother again. *The Change (Animorphs #13)* K. A.

Applegate, 2017-06-27 Tobias has gotten used to his new life. He's a red-tailed hawk with the mind of a kid. It was difficult when he first became trapped in his morph, but he's started to come to terms with things. After all, how many kids actually get the chance to fly? But now Tobias is about to make a very difficult choice, a choice that the other Animorphs know nothing about. And it could mean the difference between living the rest of his life as a hawk and being human. The Alien

(Animorphs #8) K. A. Applegate, 2012-09-01 The wildly popular books by K. A. Applegate are back. The Animorphs return in this update of the classic series. Ax is an Andalite, an alien stranded on a strange planet. He's sworn to defend even though it's not his own. Since the Animorphs rescued him, he's fought at their side and in that time they've come to consider Ax a friend. But deep inside, Ax knows he isn't their friend. He can't ever be. Andalites must always hold themselves apart even from their allies. As the Animorphs' past actions start resulting in deaths of innocent people, however, Ax's loyalty is called into question. Now he must decide whether to reveal the reason for his estrangement, the shameful secret of his people. *The Diversion*

(Animorphs #49) K. A. Applegate, 2017-09-26 The Yeerks are finally starting to realize that the Andalite bandits are probably not aliens at all. That maybe they've been dealing with humans all along. And no one, especially the newly appointed Visser One, is happy about this revelation. When Tobias and the other Animorphs realize that the Yeerks are about to find them, it's by accident. But that doesn't make the discovery any less serious. Because in a war, one side wins and one side loses.
